Joseph Biden and Rishi Sunak are Netanyahu's willing executioners, as accessories to mass murder of an innocent civilian population of 2.3 million in Gaza: a strip of land previously under a 16- year blockade of essential goods, medicines and services by the Likud regime of extreme revisionist Zionist, Binyamin Netanyahu, the American-born, political architect of Israel.

Each month, both the US House of Representatives and the UK Conservative government, vote to continue arming and abetting the out-of-control, Likud coalition regime, it being intent on revenge genocide of a people already the victims of the wholesale theft of their lands and assets.

As the world watches, democracy dies; as does the rule of law and the convention of freedom of movement of civilians and goods in a world now under threat from violence and nuclear war.

We are now, all of us, but minutes away from such a cataclysmic, global event.

Meanwhile, the children of Gaza and their mothers, scream out in hunger, malnutrition and sickness, before their eventual death from an Israeli missile fired from an American F-16/32 warplane of the IAF. A warplane free to roam the skies at will, bombing, murdering, killing men, women and children, with no opposition or restriction.

For Gaza has no planes, no food nor any humanity. Just a hate-filled, lethal, occupying attack force, there to raze, destroy, bomb, shoot, maim and kill anyone who lives – man, woman or child.
