Hey everyone 🙌 How 'bout a second round of Covid for Cst. Kline, sounds like fun right? I guess this is what all that advertising was about 'Breakthrough Cases' Arrggh 🤔 At least this time I have much milder symptoms, more like a cold. Stay healthy and safe out there everyone.

Ya, I don't know what to think. I have been triple vaccinated, I had Covid in September 2021. But, I am immunocompromized, so thus is the problem.

My Take...

If Constable Corinne was triple COVID-19 vaccinated in March 2022, and was immunocompromised, it is highly probable that her doctor would have urged her to stay up to date on her vaccines (every 6 months), and she most likely would have had five COVID-19 vaccines in total before she was hospitalized last week.

In addition to that, she had COVID-19 infection at least twice.

I believe most doctors in Canada had no idea that the COVID-19 vaccines damage the immune system and cause immune dysfunction or immunosuppression.

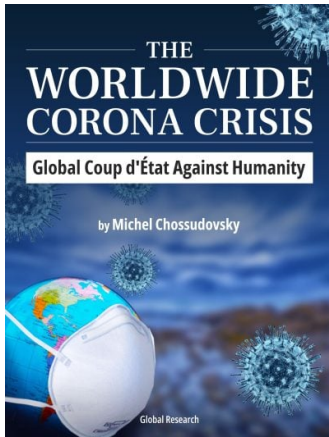

I don't know the source of her immunocompromised status, but the COVID-19 vaccines would have only made her situation that much worse.

Edmonton Police Service had a COVID-19 vaccine mandate in place, and announced that more than 95% of EPS employees were fully vaccinated by Nov.30, 2021 ([click here](#))

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
