

9/11 Truth: Experts Examine the Evidence and Speak Out

By [Steven Starr](#)

Global Research, September 11, 2014

Selection compiled by Steven Starr

For the memory of the thousands who died on 9/11 and the millions who died in the wars that followed, as well as for the elimination of Constitutional rights in the US as a result of the Orwellian "War on Terror".

ZERO: An Investigation Into 9/11

An Investigation into 9/11, has one central thesis – that the official version of the events surrounding the attacks on 9/11 can not be true. This brand new feature documentary from Italian production company Telemaco explores the latest scientific evidence and reveals dramatic new witness testimony, which directly conflicts with the US Government's account. The importance of this film can not be overstated. If its thesis is correct, the justification for going to war in Iraq is built on a series of outrageous lies.

Pilots For 9/11 Truth Presents – "9/11 INTERCEPTED"

War Games, Simulated radar tracks, aircraft exceeding their max operating limits by more than 130-150 knots, inaccurate aircraft position reports, false aircraft target reports, aircraft converging — flying virtually in formation with — and then diverging from reported 9/11 aircraft, fighters launched in the wrong direction, aircraft seemingly still airborne after the

alleged attack, poor communications, phones not working.... What happened on the morning of September 11, 2001? Why were our defenses ineffective? Pilots For 9/11 Truth analyze NORAD response, Audio recordings as well as Radar data provided by government agencies.
