On our most recent episode of 9/11 Free Fall, host Andy Steele is joined by the leaders of AE911Truth and the Lawyers' Committee for 9/11 Inquiry to discuss our lawsuit filed this week against the FBI, which takes aim at the Bureau's failure to include certain key evidence in its congressionally mandated 9/11 Review Commission Report from 2015.

This show is recommended listening for all those who wish to have a deeper understanding of this historic litigation and how it may play out in the next one to two years.
