A group of American Jews has launched a campaign on Facebook to break the law of return, whereby any Jew can move to Israel, while so many Palestinians remain unable to return to their ancestral villages. More [here](#).

“Today there are more than seven million Palestinian refugees around the world. Israel denies their right to return to their homes and land....We renounce this “right” to “return” offered to us by Israeli law. It is not right that we may “return” to a state that is not ours while Palestinians are excluded and continuously dispossessed.”
