This message of hope by the Archbishop Vigano, although a year old, is timeless in its tenor and importance.

The archbishop tells us that we are not alone, that this is an agenda that engulfs the entire world; that we need to look beyond our own community, our country, our own borders, that we need a worldwide solidarity, as this movement has compromised the entire world.

Onlooking will not bring us freedom.

We must fight for our freedom, not only for not being vaxxed, or locked in, or being eventually condemned to a basic income with which – aided by artificial intelligence (AI) – we will own nothing but be happy, we MUST fight for more. We must fight for our full FREEDOM. Not just fractions of freedom. For our FULL FREE SPIRIT.

Klaus Schwab, the *forever* CEO of the World Economic Forum (WEF), tells us that after completion of the Great Reset, we will owe nothing but be happy; he also tells us with pride that the WEF has been educating most of our current world leaders, *infiltrating* them into governments around the world.

And we, in the West, are still made to believe that we live in a “democracy”. We may have never lived in a true democracy, but especially not now.

That is why the entire world, all 193 UN member nations follow the same script – a script of utmost betrayal of humanity.

We, the People, we Humanity, must join a worldwide chorus protesting the establishment of a One World Order – a treason of Nation States – as the Great Reset, designed by the World Economic Forum and by the United Nations under the name of Agenda 2030.

The entire United Nations and the powers behind the WEF are in the process of compromising humanity for their sick, psychopathic strive for endless *grandeur* and power –

the domination by a few of all the world's resources and the enslavement and transhumanization of the surviving human species.

Archbishop Vigano also refers to the "strange weather conditions" that make life difficult, and to the coming of *smart cities* in which we may be incarcerated, or enslaved, if we do not react – react in UNISON, in solidarity and in faith that We, the People, have the spiritual power to overcome this worst affliction that our civilization is facing.

The archbishop is praying and adding his spirituality to save humanity.

They shall not succeed. Archbishop Vigano's generosity inspires light and hope.
