*The official concluding statements by the UN and WHO at the completion of the UN General Assembly (UNGA) in New York regarding the **High-level Meeting on Pandemic Prevention, Preparedness and Response** are summarized as follows:*

United Nations

The high-level meeting on pandemic prevention, preparedness and response will focus on the theme: “Creating and maintaining political momentum and solidarity for Pandemic Prevention, Preparedness and Response”. Plenary Segment: Statements by Member States and members of the United Nations specialized agencies. Issued on 20 Sept 2023.

WHO statement on the high-level meeting on pandemic prevention, preparedness, and response:

The World Health Organization welcomed today's historic commitment shown by global leaders, at the UNGA, to strengthen the international cooperation, coordination, governance, and investment needed to prevent a repeat of the devastating health and socioeconomic impact caused by COVID-19, make the world better prepared for future pandemic, and get back on track to achieving the Sustainable Development Goals.

“The first-ever head of state summit on pandemic prevention, preparedness and response is a historic milestone in the urgent drive to make all people of the world safer, and better protected from the devastating impacts of pandemics,” said Dr Tedros Adhanom Ghebreyesus, WHO Director-General. “I welcome this

commitment by world leaders to provide the political support and direction needed so that WHO, governments and all involved can protect people's health and take concrete steps towards investing in local capacities, ensuring equity and supporting the global emergency health architecture that the world needs."

The political declaration, approved by Mr Dennis Francis, President of the 78th United Nations General Assembly (2023), and the result of negotiations under the able leadership of Ambassadors Gilad Erdan of Israel and Omar Hilale of Morocco, underscored the pivotal role played by WHO as the *"directing and coordinating authority on international health,"* and the need to *"commit further to sustainable financing that provides adequate and predictable funding to the WHO, which enables it to have the resources needed to fulfil its core functions."* Issued on 20 Sept 2023

Neither the UN nor the WHO statement mentions the number of world leaders or heads of state, who approved the crucial WHO documents, the severely revised (more than 90 points of revision) *International Health Regulations* (IHR), including the *Pandemic Treaty* – which is actually no longer a treaty, as it is planned to ram it through during the next World Health Assembly (WHA) in May 2024 – making the new IHR effective without a vote. See full interview with Dr. Astrid Stuckelberger [here](#).

Since there are no official accounts from these "behind closed-door" UN / WHO meetings, we can rely only on "hearsay", according to which there were several member states who abstained and others who objected to the revised IHR. Among the objectors was apparently the Russian Federation. See [this](#).

The Mike Adams interview of Dr. Astrid Stuckelberger (26 September 2023) about the coming (planned) health dictatorship by the UN and WHO juxtaposes the official UN / WHO statements.

There is nothing constructive, nothing the world might want to look forward to that came out of these secret meetings, debates. Secretive, like a death cult, planning a worldwide genocide run as part of the "new" WHO / UN Agenda.

Imagine where the world has gone? And where the full UN Agenda 2030 is planning to take us?

With a corrupted UN system, with a World Health Organization that is no longer looking after the population's health and disease, but is promoting death.

And that on a worldwide basis. All governments – more than 190 national governments, have all been coopted, corrupted coerced and outright threatened – if they do not go along and lie to the people who supposedly elected them, and if they do not betray the trust and the (tax) money these people have confided in them – people's funds that also pay for the government bureaucrats generally generous wages.

Here are some of the key points Dr. Astrid Stuckelberger made during the BOMBSHELL interview. For courageously speaking out since the beginning of the outbreak of this criminal plandemic, Dr. Stuckelberger has been a beacon for truth. In response, the University of Geneva cut off all her courses and deprived her of her faculty position.

She is also otherwise threatened and coerced, often censored – to no avail: Astrid keeps speaking out, to spread the truth as far and widely as possible – so that people eventually may wake up – stand up – and stop obeying. ***Non obedience is everyone's right.***

Here are some of the highlights of Dr. Stuckelberger's interview:

When during the organization's earlier times, WHO stood for protecting the lives of the elderly and children, today WHO is promoting suicide for older people and forced killer vaccination for children.

WHO is eliminating staff – scientists, doctors, and researchers, who are ethical and true experts, replacing them with people who are no experts, unethical and corrupt.

WHO programs on food, nutrition or basic sanitation, have morphed into programs that are largely overseeing the extermination of people on planet earth, rather than promoting the health of people.

In the 1990s WHO was still warning about the dangers of 5G microwaves, the negative effects of holding the phone to your ear... how it affected the brain — no longer. These warnings have been eliminated from the WHO's website. This is part of accelerating elimination of old age people and of dumbing the brains of children and young adults.

Also, WHO warned of the danger building 5G antennas on school buildings – as the effect on human brains and the development of human brains is devastating – this warning too, has disappeared from WHO's website.

Around the year 2000, the private sector, with lobbies came into effect – and Bill Gates put his foot in WHO's door. In 2012 he was literally in charge of WHO's vaccination / immunization programs.

Today, WHO alone has a monopoly on all that concerns health – it is a tyrannical dictate – and is followed by severe censoring, including with punishment for those who do not follow the mandate. UN Secretary General, António Guterres, is echoing what WHO is doing, by promoting censorship [banning “fake news”], and digitizing health information – with a monopoly for WHO.

But WHO alone cannot control the world, as Ministers of Health, usually countries' representatives at the World Health Assembly, may not agree with some dictates and they must listen to their governments [though, most of which have been corrupted], they need an overarching body to assure full compliance, the United Nations.

Therefore, the UN will claim the overall right of controlling censorship as well as dictates on health, i.e., vaccination / programs on immunization, delegated to WHO — no questions asked, all with the objective of massively reducing the world population, an objective which has been on the political drawing board since the 1970s.

See the Kissinger Report published in 1974, in the year following the U.S. sponsored military coup in Chile (September 11, 1973).

National Security Study Memorandum

NSSM 200

Implications of Worldwide Population Growth For U.S. Security and Overseas Interests (*THE KISSINGER REPORT*)

December 10, 1974

WHO is the door to the most sensitive and vulnerable points in our lives: life and death, health and disease. It is the entry to their – the Beast’s – biotech neuro-weapon which is the so-called injection vaccine – and they want to roll out untold thousands of new types of vaccines, billions to be administered over the coming years – a perpetual program, feeding into the UN Agenda 2030 – to help accomplish the “17 Sustainable Development Goals” (SDG).

The first paragraph of *the preparedness on pandemic prevention response*, refers to the constant and repeated danger of covid and covid-related pandemics... triggering an eternal fear, as covid has been enshrined in the brains of the people as *THE* potentially death-bringing pandemic and danger.

They are generating constant fear with something that didn’t even exist, that has never been analyzed scientifically, never been isolated in laboratories, nor with the instruments of WHO — it’s always about infections, because you cannot see them (the viruses), and people do not know.

WHO along with the (bought) media is a psychological terrorist organization.

Under the new declaration WHO is becoming a permanent fear campaign mechanism, with the overarching worldwide tyrannical authority to demand “preventive” quarantine even against the policies of individual sovereign countries, and they are implementing them enforced by police and military – which country governments must obey, under threat.

But, says Astrid, “the Beast is losing power, because we are becoming more conscious, waking up and resisting.

The revised IHR and the *Pandemic Convention* – yes, it is not a treaty, as it will be adopted, not even voted on.

That is the imposition by the UN – sponsored, or imposed by the US. The IHR / *Pandemic Convention* will be adopted by the WHA in May 2024, without a vote. And during this UNGA 2023, WHO and its public (mainly the White House) and private (mainly the pharma-industry) sponsors are asking for the blessing of the UN; and “they” received the blessing of the UN.

Australia is already training their police and military to enforce mandated vaccinations – ramming in doors of family homes and making sure that schools comply with the vaxx-orders.

They want to get rid of children for depopulating the world – and of course of elderly people, who are not contributing to the economy, but using state money [that they contributed to] for living in retirement (pensions) – whom Klaus Schwab’s Israeli adviser, Yuval Noah Hariri, calls, “useless eaters”.

That is why former President Trump has already said, if he will be reelected President, he would propagate homeschooling.

WHO is run by McKinsey Consulting – Dr. Stuckelberger has seen the contract – and by the bought media.

They, “the Beast”, will invent a public emergency, either “natural” or a plandemic of a monster epidemic, to spread fear and lock people down.

They are rolling out a plan, to lock people down, they want the vaxx back – it is already visible from the media.

[In India a new pandemic has already been declared, with compulsory masks. An outbreak of Nipah virus (NiV) has been confirmed in India. Six cases of Nipah, including two deaths, have been reported – see video below (*Annotation by PK*)]

Three major corporate media outlets control the world:

- AP = American Press;
- AFP = French Press; and
- Reuters.

They are paid to lie. They cannot be believed, but they distribute their news to all local

mainstream media, which must report almost verbatim the going narrative.

We must create our own counter-media – *like what you are doing*, referring to Mike Adams and others, to spread the truth and let people know what is going on.

They – “the Beast” — are doing whatever they can with the help of the governments, which are no longer YOUR governments. Today’s governments across the globe are coerced to do what “the Beast” wants them to do, either by buying them or by threat.

They will create anything to maintain the level of fear, even the plague is a possibility.

All they need to do is create a fake disease in one city, and then declare it a pandemic – and all that comes with the pandemic — lockdowns, ramming in doors for forced vaccinations also in schools, **a fear-based tyranny - where people will obey.... But will they?**
(Annotation PK)

Then they are going to use their real weapon, either by vaccine, or in the hospitals, like in NY, where they incubated people... until they died.

Or using 5G. 5G can be directed into the brain of people, paralyzing individuals, or programming them, à la Klaus Schwab’s transhumanism, digitized, robotized obeying *transhumans*.

With 5G they can do whatever they want; 5G is not only emitted from the endless antennas around the world, but also from street lamps, or other items you least expect, and don’t know; possibly also through your TV set.

“Vaccination” – people will be injected by a binary weapon, that can be activated by remote signaling... through 5G, maybe soon to come 6G.

This is made possible through graphene oxide in people’s bodies [those, who have been vaccinated] – who were injected with the false covid vaxxes, some of which contained graphene oxide, a highly electro-magnetic sensible substance that will react to the 5G micro-waves.

Pfizer’s Bio-n-Tech vaxx = *bio nano tech*, or *bio neuro tech*...and mRNA – a computer program — “mode” RNA – will make humans highly vulnerable to 5G. As humans, we are bio-electromagnetic, electro-encephalogram – making our brains vulnerable to 5G manipulation.

Astrid Stuckelberger: *“Hacking the mind is at the center of what is going on.”*

Dr. James Giordano: The Brain is the Battlefield of the Future

The “Havana Syndrome” is one of the brain manipulations – first appeared in 2016 in the US and Canadian Embassies in Havana, Cuba. Since then, the syndrome has occurred in many other places – in Beijing, Moscow, Serbia...

We humans emit waves – “love waves” as well as “anger waves” – our moods are expressed in electromagnetic waves.

Controlled opposition talking about viruses, covid, mRNA, PCR-test, the vaccination that all

may come back... that is their plan – the Beast’s plan, the perpetuation of an absolute fraud.

Mike Adams:

“We are seeing the complete perversion of science which will destroy the credibility of science and medicine. – There is no isolate of SARS-Covid-2, has never been – it is a total fraud.”

“While the next plandemic is being rolled out – and more and more people are being victimized by this fraud – genocide is unfolding in front of us.”

We, the People, cannot let that happen; **we must win this war**

These are the paraphrased final words of Astrid Stuckelberger –

“We are gonna have a tough wave of time now, this may last for 6 months a year... who knows. So, take good care of yourself. If you are knowledgeable, you are better prepared for what may come – and take care of the elderly and the kids. I am worried about the children. They are gonna go after the children...”

“There is already a warning: in Norway, they must vaccinate all the young people... Take No Vaccine whatsoever, they are trying to sell you all sorts of common vaccines – don’t take them, they are all fake mRNA vaccines....”

Ending on a positive note: “I think we are protected for what we are”
