As some face discharge for their choice to not get vaccinated against COVID-19, 36 airmen have filed a lawsuit against the Biden administration.

On Tuesday, March 8, [Alliance for Free Citizens](#) says 36 airmen currently on active duty in the Air Force, Air Force Reserve and Air National Guard filed a lawsuit in the [U.S. District Court in Omaha](#), Neb.

The suit challenges the legality of President Joe Biden's COVID-19 vaccine mandate on service members. Alliance For Free Citizens said this is the largest lawsuit filed to date against the proposed mandates.

Court documents indicate all 36 airmen applied for a religious exemption to the mandate due to the vaccine violating their sincerely held religious beliefs. Currently, most have had their request rejected while several are on the verge of discharge.
