Talk Truth has been at the forefront of breaking the Canadian mainstream media's wall of silence on excess deaths, COVID-19 vaccine injuries and deaths, and sudden and unexpected deaths of Canadian doctors and Canadian children.

Talk Truth is hosted by Allan Hunsperger and Corri Hunsperger. They have interviewed Robert F. Kennedy Jr, Dr. Peter McCullough, Dr. Sherri Tenpenny, Dr. Tess Lawrie, Dr. David Martin, and Canadian doctors Dr. Roger Hodgkinson and Dr. Charles Hoffe, among many others.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
