On Saturday, MP Majid al-Ghraoui said that, an American aircraft dropped a load of weapons and equipment into the hands of the ISIS group militants in southeast of Tikrit, located in Salahuddin province.

MP Majid al-Ghraoui, the member of the Security and Defense Committee in the Parliament, said: "The information that has reached us in the security and defense committee indicates that an American aircraft dropped a load of weapons and equipment to the ISIS group militants at the area of al-Dour in the province of Salahuddin."

He added, "The committee will set a meeting within the next few days to follow up on that incident," pointing out that, "This incident is continuously happening and has also occurred in some other regions."

"The U.S. is trying to obtain more benefits and privileges from the government to set military bases in Iraq," Ghraoui said.

Noteworthy, the security committee in Salahuddin Provincial Council announced today, that unidentified air crafts dropped weapons and gear to the ISIS group elements in southeast of Tikrit.
