"Lest We Forget" by filmmaker Chris Pratt is an indictment of our Leaders, our Media, our Actions and ultimately of ourselves for remaining intentionally blind to an American made Holocaust.

Watch this film only if you are prepared to face the truth about the predatory nature of the ruling elite and their manipulation of your perceptions and beliefs.

Perhaps they feed at the same trough.

"The US government has always been among the most murderous and barbaric in history. The American people are complicit in the crimes of their government." (Dr. Paul Craig Roberts)
