Ukrainian President Zelensky recites the script written by Washington and announces as a precondition for the opening of negotiation with Russia that the territorial integrity of Ukraine should be restored, that is, Crimea and Donbas inhabited by populations put back into the hands of Kyiv, and Russia pays war damages to Kyiv and submits to an international trial for war crimes. At the same time Washington, playing the role of peace broker, declares its will to keep the door open to peace negotiations while continuing to fuel the war with massive arms supplies to Kyiv worth \$ 18 billion up to now.

In Ukraine, the head of the Orthodox Church of Kyiv, who has broken with the Patriarchate of Moscow, declares that those who kill Russians are forgiven, and Vladimir Putin is the Antichrist. On this basis, an attack on the churches of the Russian Orthodox parishes which have remained connected to the Moscow Patriarchate is underway throughout Ukraine, carried out by neo-Nazi armed groups that break down the doors of the churches and beat the faithful. While all this is underway in Ukraine, one of the leading neo-Nazi exponents of the Azov battalion, presented as a hero, is touring US schools and receiving international awards.

On this background the interview, carried out in Moscow by Jean Toschi Marazzani Visconti on behalf of Grandangolo, with Olga Zinoviev, head of the Zinoviev International Research and Training Center at Moscow State University, co-president of the Zinoviev Club is placed.
