This will be background and analysis that will help a viewer to understand and evaluate the reliability and truthfulness of the following video from the independent American journalist Patrick Lancaster in Ukraine:

This video presents evidence which some viewers might find extremely puzzling, if they don’t *already* know the relevant background, the history, which has led up to it, and which will here be documented via direct links to the evidence.

In fact, anyone who clicks onto the links in this article will see the evidence for themselves, which *explains* what is currently happening in Ukraine.

It’s written *ONLY* for individuals who want to do that. (Anyone who is *already* satisfied with what they *think* or *believe* to be the explanation behind the war in Ukraine will likely *not* find this article to be of interest — *especially* because taking the added time to click onto and consider the evidence that’s supplied in any of the links here would likely *not* be something they’d want to do.)

Patrick Lancaster is a purely crowdfunded American independent war-reporter who is now in Mariupol, Ukraine, a major city that had [rebelled against](#) the [2014 overthrow](#) of Ukraine’s President Viktor Yanukovich, who had been [democratically elected](#) in 2010, and who pursued a [neutralist](#) international policy despite America’s President Barack [Obama](#) and Secretary of State Hillary [Clinton](#) both telling him, in person, later that very same year: Ukraine should instead join NATO, America’s military alliance against Russia, which had always ([prior](#) to the [coup](#)) been considered to be “the enemy” by more Ukrainians than who considered it “friendly.”

The new Ukrainian government succeeded in 2014 to conquer Mariupol, but *not* the areas in adjoining Donbass. Consequently, whereas in Donbass, the defenders are the local residents, against the invading Ukrainian government’s forces; in Mariupol, the defenders

are instead the Ukrainian government's forces, against the invading forces from Russia and from Donbass.

Yanukovich said no to the U.S. demand, on both occasions; and, so, by no later than [23 June 2011](#), a coup was already being planned by Hillary Clinton's U.S. State Department and Google (a major financial backer of hers) to overthrow Yanukovich and replace him and all of Ukraine's top national-security officials, by members, supporters, and allies, of Ukraine's two most-far-right political Parties, the Social-Nationalist Party of Ukraine (renamed, upon advice from the CIA, to become the "Freedom" Party or "Svoboda"), and the Right Sector Party.

The Freedom Party was founded (as the Social-Nationalist Party of Ukraine) and led by [Andrei Parubiy](#); and the Right Sector Party was founded and led by [Dmitriy Yarosh](#), as, originally, Ukraine's largest paramilitary organization. Both groups were [intensely, and racistly, anti-Russian](#), and derived their chief support from the far-western Lviv area of Ukraine, where pro-Hitler sentiment during World War II had been the highest in all of Ukraine.

That was the strongest *pro-Nazi* part of Ukraine, and Ukraine's collaborators with Germany's Nazis subsequently became memorialized as heroes in that region. Their racism is more anti-Russian than anti-Jew, but it is both. The CIA has [instructed all of Ukraine's nazis \(or racist-fascists\) to suppress their anti-Semitism and White Supremacy until after](#) Ukraine has become admitted into NATO. (The U.S. goals in this matter have been to [replace Russia's biggest naval base, which is on Crimea, with a U.S. naval base there, and — above all — ultimately to become able to place its missiles on Ukraine's border with Russia so as to become enabled to blitz nuclear-attack the Kremlin within a mere 7 minutes or less](#), and thereby maybe destroy Russia's ability to counter-attack — 'WIN' (instead of *prevent*) a nuclear war against Russia.)

A third leading Ukrainian racist fascist, or *ideological* nazi, whom the U.S. Government hired into the new Ukraine's national-security leadership, was [Andrei Biletsky](#), who had founded the far-right "Patriot of Ukraine" group and its Azov Battalion of [openly Hitler-admiring](#) fighters. That Battalion [started in 2015 to receive support from America's CIA and to be integrated into the new Ukraine's army as its most elite fighting force](#). They are (or were) centered in Mariupol and along the Ukrainian border just *outside* the breakaway far-eastern Donbass region, where the Battalion were [constantly shelling into that region](#) in order to [kill and/or compell to flee anybody who lived in that region](#), which had [voted over 90% for Yanukovich \("Janukovich"\)](#).

It was an [ethnic cleansing](#) in order to get rid of enough of those residents so that, if ever that area would again become integrated into Ukraine and its remaining residents would therefore be voting again in Ukrainian national elections, the U.S.-installed nazi Ukrainian regime will 'democratically' be able to *continue* to rule in Ukraine.

This is the *background* behind Lancaster's video.

Investigative historian Eric Zuesse's next book (soon to be published) will be AMERICA'S EMPIRE OF EVIL: Hitler's Posthumous Victory, and Why the Social Sciences Need to Change. It's about how America took over the world after World War II in order to enslave it to U.S.-and-allied billionaires. Their cartels extract the world's wealth by control of not only their 'news' media but the social 'sciences' — duping the public.

He is a regular contributor to Global Research.
