Shout out to Sheri Johnson and the Patriots at the Seminole County GOP. They passed [ban the jab resolution](#) with 90-95% of the vote. Seminole County Florida's Republican Party is now the fifth GOP county Party in Florida to take a stand against genocide, and declare C19 injections biological and technological weapons. [The ban the jab resolution](#) also calls on the governor and legislature to prohibit their distribution, and the attorney general of the state of Florida to confiscate the bioweapons and conduct forensic audits.

C19 injections meet the legal definition of biological weapons [according to Florida law](#) and Federal law. The governor and the attorney general have a fiduciary responsibility to protect the public from weapons of mass destruction. One of the world's leading legal authorities on biological weapons, Dr. Francis Boyle, [endorsed the ban the jab resolution](#) in April.

Seminole county Republicans have joined Lee, Collier, Lake, and Santa Rosa County Republicans in taking a stand against genocide. The [Florida Republican Assembly](#), which is a statewide organization of conservative patriots, has also [endorsed](#) the ban the jab resolution.

Contact your local county GOP and demand they pass the [ban the jab resolution](#). If you are a Republican Party Executive Committee member introduce the ban the jab resolution to your executive committee.

If you are in Florida Please CALL and EMAIL [Governor DeSantis](#) and [Attorney General Ashley Moody](#) as well as your state legislature and demand they "Ban The Jab Immediately" in pursuit of saving human lives.

The life you save may be yours, so make the call and email!

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
