Global Research Publishers has released the PDF edition of Prof. Michel Chossudovsky's ebook, entitled *Worldwide Corona Crisis, Global Coup d'Etat Against Humanity*, on August 24, 2022.

Analyzing the pandemic since its onset in 2020, Prof. Chossudovsky said,

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

In an effort to pursue the author's objective, we would like to announce the following:

1. All members of Global Research (existing, renewal and new) will receive a free copy of the Ebook.

From the very outset in January 2020, people worldwide were led to believe and accept the existence of a rapidly progressing and dangerous epidemic. Media disinformation and the fear campaign were instrumental in sustaining the COVID-19 narrative. Scientific lies and falsehoods have been used to sustain the legitimacy of the COVID-19 policy mandates including lockdowns, the imposition of the face mask, social distancing and the suppression of fundamental human rights.

People worldwide were led to believe that Big Pharma's COVID-19 vaccine injections were the "solution".

A structure of "Global Governance" dominated by powerful financial interests is unfolding which undermines democracy and the institutions of civil society. More than 7 billion people worldwide are directly or indirectly affected by the corona crisis and the destructive mandates implemented by morally depraved national governments. The entire planet is in state of economic and social chaos.

Michel Chossudovsky reviews in detail how this insidious project "destroys people's lives". He provides a comprehensive analysis of everything you need to know about the "pandemic" — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

"My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the "deadly" COVID-19 "vaccine". This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument."

Thank you very much for your support!
