Region: [Middle East & North Africa](#)
In-depth Report: [PALESTINE](#)

Following an intensive bombing and shelling operation resulting in more than 200 civilian deaths, the Netanyahu government has announced a full-scale invasion.

A new round of [attacks against the Palestinians of the Gaza Strip](#) has begun. With it comes the loss of lives and the [further destabilization of the Middle East](#). The Palestinians are not only fighting for their survival, but they are also fighting against a gigantic corporate media machine that sits on Israel's side. Israel has the advantage of having the support of the mainstream media in many places in the world, where [the news is filtered and skewed](#) to give a distorted picture of events on the ground.

Global Research is one of the few voices and news outlets that actively operates to break the Western media monopoly. We are a vital source of information for readers and various audiences to turn to for updates on Gaza and the latest analysis about [the situation in the Occupied Territories](#). Getting accurate and honest analysis about the situation in the Israeli occupation of Palestine is one of the first steps to help raise awareness about the oppressed Palestinian people. Arm yourself with the facts.

Global Research does not receive foundation money or any form of government or corporate support. This is how we maintain our independence and integrity. [We need your support](#) in whatever way you can provide it. It can be financial or through re-posting our material and articles on social media pages or on your blogs. You can forward our articles and news items to your friends, family, and colleagues. If you can, [we urge you to generously support Global Research](#). Every dollar helps us and also helps get the news out and make people aware of the plight of the Palestinians.

Please support us however you are able. This includes buying books from our [Online Store](#). If you already have copies of our books, then buy some for someone else. This can help open someone's eyes and educate them about some of the most important current issues facing our planet.
