Global Research's Michael Welch reports on Faulty Election Machines in Ohio which is a Battleground State

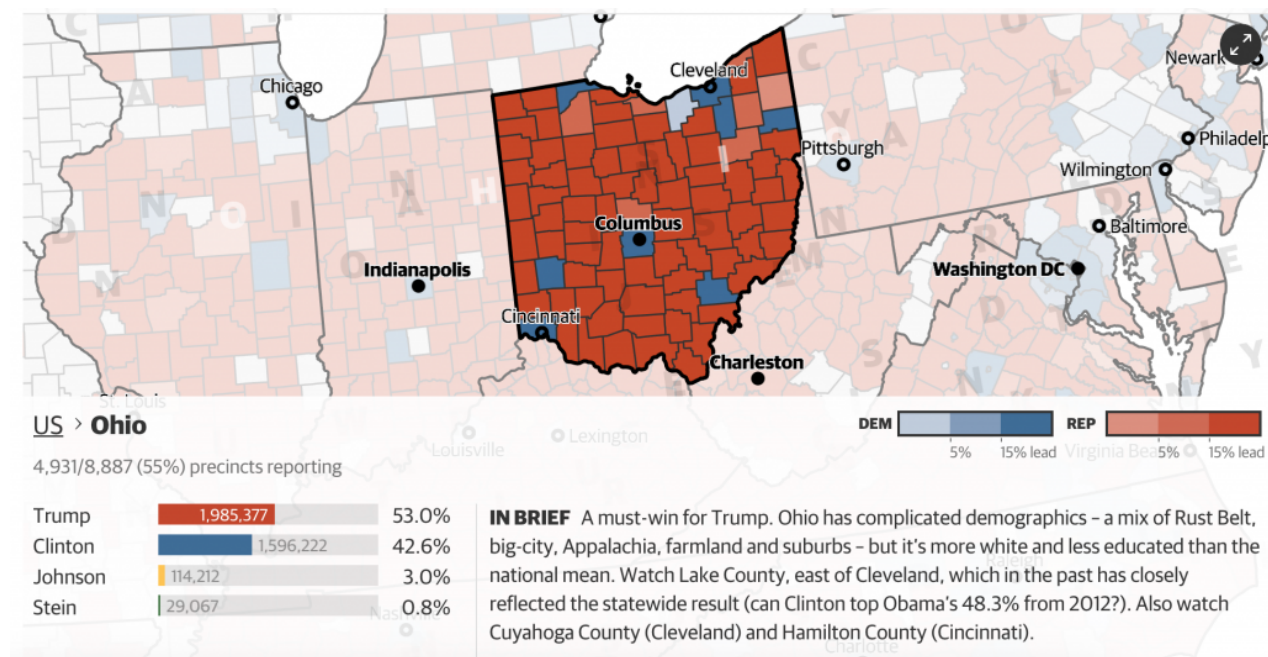

Late afternoon on election day, Prof. Bob Fitrakis received calls from election observers in Columbia. OH. (Eastern Ohio)

Several election machines were causing complications due to the tape rolls for each machine running out.

The following video was captured during a call with one of his election observers.

Latest reports at 21.40pm confirm that Trump is in the lead in Ohio State with 55% of precincts reporting.

Ohio Results at 21.59pm. Trump is leading by more than 10 percent
