Justin Trudeau: "Regardless of whether we're attacking your fundamental rights... or limiting your fundamental rights, and the Charter says it's wrong, we're still going to go ahead and do it. It is essentially a loophole which allows a majority to override the fundamental rights of a minority... "

It's like saying, "We are stealing from you, we know this is wrong and against the law, and we will continue to steal from you!"

The Prime Minister of Canada admits that he and his government are "attacking our fundamental rights".

And, knowingly, they will continue on this dark path of contempt for our Constitution, and our constitutional rights and freedoms under the Canadian Charter of Rights and Freedoms.

If it's not contempt, I don't know what it is!

What are YOU, Canadians, men and women, going to do about it? I know what I'm going to do about it. \

See the report below:

"The Canadian Charter of Rights is not a law and it was established by Pierre E. Trudeau. The only one that we the people should be calling upon is the Bill of Rights. This is the one they don't want you to know about"

Does the Charter hide important details?

Should we even use the Charter?

Or would it be better to use the Bill of Rights? laws-lois.justice.gc.ca

 Sanctionnée 1960-08-10

Loi ayant pour objets la reconnaissance et la protection des droits de l'homme et des libertés fondamentales

Préambule

Le Parlement du Canada proclame que la nation canadienne repose sur des principes qui reconnaissent la suprématie de Dieu, la dignité et la valeur de la personne humaine ainsi que le rôle de la famille dans une société d'hommes libres et d'institutions libres;

Il proclame en outre que les hommes et les institutions ne demeurent libres que dans la mesure où la liberté s'inspire du respect des valeurs morales et spirituelles et du règne du droit;

Et afin d'explicitier ces principes ainsi que les droits de l'homme et les libertés fondamentales qui en découlent, dans une Déclaration de droits qui respecte la compétence législative du Parlement du Canada et qui assure à sa population la protection de ces droits et de ces libertés,

En conséquence, Sa Majesté, sur l'avis et du consentement du Sénat et de la Chambre des communes du Canada, décrète :
