[Emergency Program Act Ministerial Order No. M275](#)

"I, Mike Farnworth, Minister of Public Safety, and Solicitor General, order that, effective at the end of the day on June 30, 2021, the attached declaration of a State of Emergency throughout the whole of the Province of British Colombia, made on March 18, 2020, and subsequently extended, is canceled."

...

"The Province of British Columbia has formally extended the provincial state of emergency, allowing health and emergency management officials to continue to use extraordinary powers under the Emergency Program Act (EPA) to support the Province's COVID-19 pandemic response.

The state of emergency is extended through the end of the day on July 6, 2021, to allow staff to take the necessary actions to keep British Columbians safe and manage immediate concerns and COVID-19 outbreaks." (emphasis added)

In other words, the State of Emergency in British Colombia, as a possible precursor for the rest of Canada, is no longer valid?

People in BC are free to move around, without wearing masks, without social distancing, without any of the restrictive measures imposed by the Trudeau Government on 18 March 2020. Coerced vaccination is over. And no more vaccination certificates.

This is the approximate date (mid-March 2020) of the general lockdown throughout the world, in all of the 193 UN member countries at once. A sudden tyranny imposed by an entity that shall remain unnamed, "high-above the UN system", has been cowardly accepted by the UN system and by all its coopted member governments.

Yes, all 193 UN member governments have been coerced, by threat or reward, to follow this nefarious criminal and deadly agenda – a depopulation and life-digitization agenda to be implemented under the guise of a pandemic, actually, a plandemic. It is virologically impossible that a virus, deadly or not, spreads throughout the world as a pandemic at once, within days.

And even less so, a virus, like the corona virus which is essentially a flu virus – with mortality rates from about 0.3% to 0.8%. This “new” covid virus is not a new version. It is an updated version of the SARS virus that was directed at the Chinese genome in 2002 / 2003.

In retrospect, the 2002 / 2003 SARS virus was like a trial balloon. Both the 2002 / 2003 and today’s versions were laboratory-made – certainly not in China, as the west keeps claiming. Readers may have noticed, western lies are endless, repetitive and ever viler and more vicious.

Today’s covid-lie version which is supposed to invade and lock down the entire world, has been renamed as SARS-Cov-2, and in January 2021 renamed again by WHO as Covid-19. This worldwide plandemic was planned for decades before. See also [the 2010 Rockefeller Report](#).

The master “trial” i.e., simulation before launching the virus globally, was Event 201, a computer simulation in New York City on October 18, 2019. It was sponsored by the World Economic Forum – WEF, the Bill and Melinda Gates Foundation and the Johns Hopkins Center for Health Security, which, by the way, is funded by the Rockefeller Foundation. May it be noted that the Gates and the Rockefellers are among the most notorious eugenists on the planet.

The Event 201 was attended by professionals with links to UN agencies, especially WHO, UNICEF, the World Bank, the IMF, and more, as well as renowned national health agencies including the CDC. See [this](#).

The 201 simulation produced some 65 million deaths and a gutted world economy – massive unemployment, famine, misery and more death from famine and desperation.

The Covid-19 Plandemic

In reality, the worldwide damage done during these last 15 months is unfathomable.

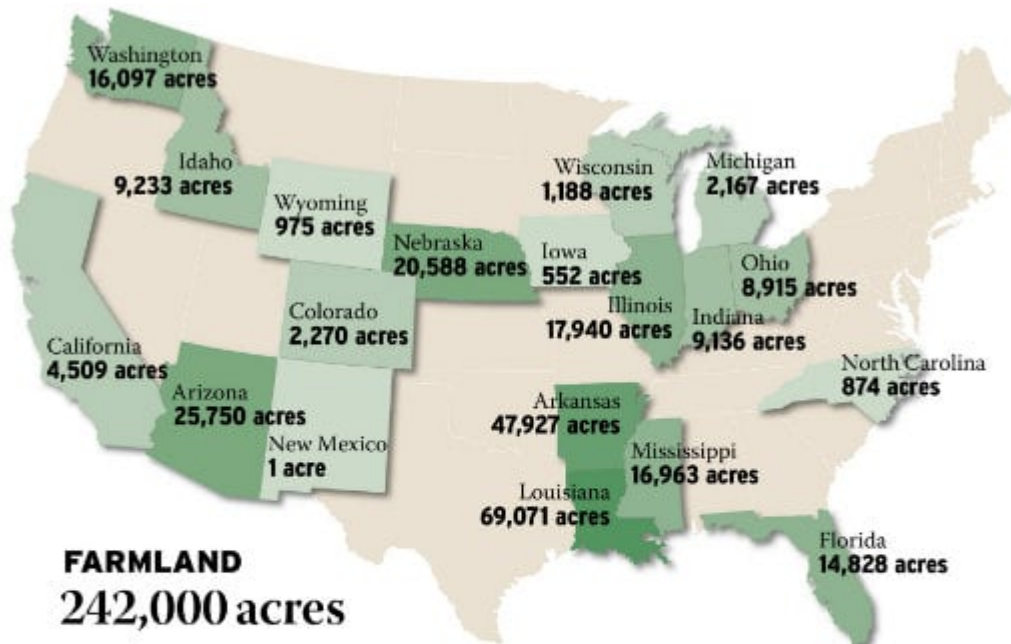

As of today, this plandemic has already affected at least 2 to 4 billion people throughout the world – and more – many more – will be affected within the next five to ten years – “coincidentally” the so-called UN Agenda 2030, or Agenda 2021 – if, and this is the Big IF – We, the People, do not wake up and stop this crime of epical proportions in solidarity.

Part of this agenda is an extreme, well-planned food shortage throughout the world.

Reports are coming out of India that the government buys up food crops from farmers at preferred prices – just to let it rot and destroy. Millions of tons of food crops are being devastated, expected to be leading to massive death by famine.

These food shortages in India and elsewhere may also affect Europe, the US and other parts of the world. In the US, Bill Gates has recently become the largest single “farmer”, as his foundation bought up more than 269,000 acres of farmland throughout the United States (about 110,000 hectares).

THE GATESES' LANDHOLDINGS BY STATE

FARMLAND
242,000 acres
TRANSITIONAL
25,750 acres
RECREATIONAL
1,234 acres

TOTAL
268,984 acres

SOURCE: ACREVALUE
& COUNTY RECORDS

Is this land being used for producing food, or for preventing food production? The Gates farmland purchase was reported by NBC – but strangely, the NBC reference to their report has been deleted from the internet. Fortunately, it is still available on different other websites, i.e., [on this one](#).

As it stands, Canada may be leading the way for the rest of the world to peel off the criminal covid restrictions and – most importantly, Canada is legally pursuing and prosecuting the perpetrators of these human rights infringing covid measures. They are supported by Dr. Reiner Fuellmich, German-American lawyer, and his team of lawyers, and the large *German Investigative Committee*. Dr. Fuellmich’s claims of crimes against humanity have already been accepted by Canadian’s Highest Courts.

All of this – or most of it, especially the abrogation of the nefarious Canadian “Declaration of

the State of Emergency”, may not yet be known to the wide Canadian public, because mainstream media do not report it. Therefore, people may still be subject to – totally illegally – pressure and coercion of mask wearing, vaccination and constant and dangerous PCR-testing.

May this refreshingly good news, the abrogation of the Emergency Law, soon be surfacing for all to see and understand – so that a massive solidarity move can bring back Canada to normal.

May Canada become a shining example for the world, in overcoming this deadly psychopathic attempt by a few dirty-rich “non-humans” – to drastically reduce world population and digitize the survivors into “robotic humanoids”.
