For those who haven't heard yet or only read / listen to mainstream media, the climate crime – and there is no other term for it – has taken a new turn for the worse. On June 30, the Finnish Minister for Economic Affairs, Mr. Vilhelm Junnila, had to resign over his “climate abortion” speech.

Some four years ago, as a Parliamentary Freshman, Mr. Junnila, recommended to the Finnish Parliament that his country sponsor “*climate abortions*” for African women in order to save the planet. Yes, you read correctly: ***climate abortions***.

He complemented his quest by saying,

“It would be justified for Finland to shoulder its responsibility by promoting climate abortions,” and semi-jokingly added, “Climate abortion would be a small step for a person, but a giant leap for humanity.”

This 4-year-old speech surfaced as “eco-fascism” takes ever more extreme forms throughout Europe.

For full article, see [this](#).

Since the publication of the World Economic Forum's (WEF) **Great Reset** and its parallel **UN Agenda 2030**, it is no longer a secret that the Decade of the 2020-30 is not only called by WHO, “*The Decade of Vaccination*”, it is an unbelievably horrendous plan for humanity.

Among the prime targets it includes massive population reduction, by any means possible, including, coerced and WHO-mandated lethal “vaccinations”, forced sterilization, wars, manufactured famine – and a myriad of other human-killing means.

In addition, there is also WEF-invented technocratic “4th Industrial Revolution”. Unless you read Klaus Schwab’s, WEF CEO, book on the topic, you may not quite understand what it means. However, grasping its contents brings to the fore total digitization of everything, including transforming surviving humans into transhumans with the help of the deadly 5G ultra-microwaves, full digitization of money via a novel concept of programmable Central Bank Digital Currency (CBDC) which – you guessed it – by a digital process may be programmed to be turned on and off according to the controlling elite’s will.

CBDC would become the ultimate form of enslaving humanity: You behave or you don’t eat.

Depopulation can take many forms. One of the most cruel and criminal ones we have experienced during the last two and a half years, is coerced and often forced “vaccination” with a potentially deadly, poisonous jab.

The miraculous disease for which the killer vaxx was invented, started worldwide, at midnight on 31 December 2019, in the form of a so-called “deadly” viral outbreak, called “coronavirus”, later converted to SARS-COV-2, named after a similar outbreak in China in 2001 / 2002, strangely affecting then only the Chinese genome, suspiciously smelling like a test case.

To deviate from this inconvenient thought, WHO retitled the “viral outbreak” a few weeks later as “COVID-19”. The coronavirus, *alias* COVID-19, is scientifically tested about equivalent to the common flu virus, with a mortality rate of 0.07%.

We all remember, the first year they apparently were desperately looking for a “vaccine”. Eventually, an intentionally totally untested trial “vaccine” was rolled out in December 2020.

During this first year of Covid, people were kept in absolute fear, under lockdown, wearing dehumanizing, useless and oxygen-depriving face-masks, rules enforced by a corrupted media propaganda, which was paid hundreds of billions worldwide – if not more – to have 8 billion people around the globe comply with these absurd and utterly inhuman orders.

To sustain the fear level, almost every death – accidents, heart attacks, diabetes, you name it – were declared as Covid deaths, thereby rapidly and massively increasing worldwide statistics of Covid deaths, with a debilitating fear-level exponentially going through the roof.

This may have been one of the first indications that a diabolical cult led by Big Finance may be behind this civilization-altering, if not civilization-killing, *Reset* plan.

Then came the forced, coerced and blackmailed poisonous injections they told the scared-to-death population would save them from Covid death.

In the meantime, the fraud and crime of our civilization is being uncovered, the deadly substances in the so-called “vaxxes” are discovered. Of the about 5 billion worldwide “vaccinated” people, at least hundreds of millions if not in the billions, have already perished from the vaxes.

And that is just the beginning. According to Pfizer's VP and Chief Scientist, Michael Yeadon, the real impact of the fake vaxxes, including massive dying, may begin only three to ten years after "vaccination", and may then be difficult to trace back to the "vaxxes". That is genocidal depopulation.

The Finnish Mr. Junnula's proposal of forcefully aborting African women is just a minor contribution to this criminal agenda.

These are proven facts for genocide by "vaccination". See [this](#) and [this](#).

*

Back to the Finnish Minister of Economy who had to resign, especially after the Finnish President, Sauli Niinisto, described the situation as "*very embarrassing*." The head of the Finnish People's Party praised Junnula's decision to step down.

Mr. Junnula himself never apologized.

Mr. Junnula was sworn in as Minister of Economy only on 27 June 2023. That is when *Euronews* reported immediately on the 2019 event which was dubbed, "*who's-who of neo-Nazis in Finland*."

What happens in Finland is, indeed, only the straw that points in the direction of a rapidly mounting racist and neo-Nazi movement in Europe, and by extension in the Western world.

What is more important though, is that different lie and fraud agendas are being used, always with the multi-billion-dollar false media propaganda, to reduce the world population and achieve the ultimate goals of the Great Reset *cum* UN Agenda 2030.

One of them is the **fake climate agenda**. It is ideal to bring about famine especially to the poor in the Global South, but the west or Global North will not be spared, as we can see with the Dutch Mark Rutte Government - which intends to eliminate one third of The Netherlands farms, the country's lifeblood.

Not to forget, little Holland is the second largest agricultural produce and goods exporter in the world (just after the US); and Mark Rutte is a scholar of the WEF's Academy for Young Global Leaders (YGL), of whom Klaus Schwab has repeatedly said, paraphrased, "*We are proud having been able to infiltrate our YGL's in governments around the world*."

In the European Union virtually all of the leaders of the 27 member countries are "graduates" of the WEF's YGL program. Talk about "democratic elections"!

Madame Ursula Von der Leyen, the unelected President of the European Commission (EC), who literally calls the shots on all major decisions for the EU, is on the WEF's Board of Trustees.

Creating artificial food shortages, or replacing natural food by "insect food", as propagated by felonious Bill Gates - largest private landowner in the US - goes in the same direction. Maybe he expects that the 5G-mind-manipulated transhumans won't notice the difference between an insect-steak and a beefsteak.

What former Minister of Economy, Mr. Junnula, advocated for African women to save the

planet from “climate disaster” by having abortions, is just open bigotry, as compared to Bill Gates’s crimes. With the support of WHO, Gates has been vaccinating for years child-bearing age African women against “tetanus” with a concoction that brings about miscarriages, death and sterility in several African nations, as well as in India, Bangladesh and other Asian countries.

Finland, the newly approved NATO country, already uses coercion vis-à-vis African countries who support Russia in the Western-initiated Ukraine war. The Foreign Trade and Development Minister, Ville Tavio, threatened Africa to cut development aid to them if they support Russia in the Western-sponsored war. See [this](#).

From here to threatening Africa with depriving them of Western foreign aid if they do not introduce women-sterilizing programs, it is but a small step. Of course, to save the climate. Because if Africa has less “useless eaters”, to use a familiar term often spewed out by WEF’s Israeli professor Harari, leaves more food for the One World Order (OWO) elite.

The **Climate Crime no End**, is an endlessly turning wheel towards decimating world population and achieving the diabolical goals of the wannabe OWO’s Great Reset and the corrupted UN’s Agenda 2030.

Only, We the People, can stop it, by waking up and seeing the Light, the all-encompassing and immeasurable Light of Peaceful Cohabitation.
