Not surprisingly, the corporate media — "brought to you by Pfizer" — is entirely silent on this bombshell admission.

In early 2021, CDC director [Rochelle Walensky](#) had no problem going on national television and declaring to the world that if you took the covid-19 vaccine "you will not get or spread covid." Within weeks, this was found to be entirely untrue.

Dr. Anthony Fauci also spread the exact same misinformation, telling Americans that they had nothing to worry about once they took the shots. Yet hundreds of thousands of people who took the shots, got sick and died.

Joe Biden, Bill Gates, and countless other Pfizer shills in the media waged a massive campaign to convince Americans and the world at large that taking the vaccine meant that you could not get or transmit COVID-19. And they were all dead wrong.

Instead of apologizing and admitting they were wrong, team Pfizer doubled down and claimed that getting "boosted" was the real protection. Again, this was proven wrong.

Now that tens of billions of taxpayer dollars have flowed into their coffers, Pfizer is admitting that they never even tested whether or not the vaccine prevented transmission before they released it. Read that again — Pfizer admitted that they never tested their vaccine's ability to prevent the transmission of COVID-19 before its release.

During a hearing this week on the European Union's COVID-19 response, Pfizer's president of international developed markets, Janine Small, made this bombshell admission.

Member of the European Parliament (MEP) Robert "Rob" Roos asked Small if Pfizer tested whether or not the vaccine prevented transmission. Her answer was a resounding "no."

"Regarding the question around did we know about stopping immunization before it entered the market...No.," Small said.

"Get vaccinated for others" was always a lie.

Given this telling admission that the vaccine was never tested in this manner, it raises the question as to where all the blowhards in the video above received this information. Who was telling them that the vaccine prevented transmission if the manufacturer never tested it?

Where did Walensky, Biden, Fauci, Gates, Maddow and others get this information from when they launched their concerted effort to spread this misinformation? This is a question we must all be demanding an answer to immediately.

We should also be asking why not a single mainstream outlet is reporting on this admission. Literally, no one in corporate media has touched this new information despite its bombshell nature. Americans would probably like to know that they were forced to take a vaccine that was never tested for prevention of transmission despite the entirety of the establishment telling them otherwise. Yet corporate media, largely funded by Pfizer, is silent.

We must never forget that politicians — all claiming to “follow the science” — locked us down, destroyed the economy, decimated the middle class through inflation, forcibly medicated us, and muzzled our children over the last 2 years. All the while we were told that our only way out of this was to take the jab.

We have been constantly reminded that if you don’t follow “The Science,” you are a science-denying buffoon who wants grandma to die, doesn’t care about the children, were an alt-right Nazi, a white supremacist, extremist, and most likely a [domestic terrorist](#).

Those who stood against unconstitutional vaccine mandates were scorned by the mainstream, labeled as “anti-vaxxers” and had people wishing for their deaths. Even people who took the jab but stood against mandates were labeled anti-vaxxers as [definitions were altered](#) to fit the narrative.

We the people were pitted against each other in one of the most divisive propaganda campaigns in human history. The middle ground was eliminated and logic and reason burned to the ground alongside the economy. And all of it was based on lies.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
