The people who define “legacy systems” are the billionaires like Gates, and the monopolies like Big Pharma. “They” define the problem, and “they” “fix” the problem. The Corona shock gave them all the power and opportunity to fast track it all. “They” will benefit. “We” will be further disempowered. “They” will engineer consent for it all.

The Corona operation is already undermining “Legacy” systems like healthcare and education. Neoliberal economic schemes and tectonic shifts in operating systems are being fast-tracked in both of these domains.

John Pilger explains that the National Health Service is being sold off “piece by piece” .

Meanwhile, Senate Majority Leader Mitch McConnell is further weakening public services, and, significantly, Bill Gates, neither a medical expert nor an expert in education, is exercising disproportionate influence in the domain of public education.

The Bill and Melinda Gates Foundation will be working with the State of New York to “develop a blueprint to reimagine education.”

The shock of the Corona Operation has accelerated and made possible all of these tectonic shifts to our lives, and Big Media continues to play a key role.

NDAA legislation and the repeal of Smith Mundt legislation made fabricated spectacles, pretending to be “news”, legal, so it comes as no surprise that Media operatives are also exploiting this “freedom” to enslave us all with extraordinary Corona-related staged productions.

Fake news, fake patients, and fake tests are all the rage.
