*I have just read an important article by [Dr. Emanuel Garcia](#) focussing on how many deaths are associated with the Covid mRNA vaccine since the outset of the Vaccine program in mid-December 2020.*

*Emanuel Garcia rightfully says that the "evidence is there. It is overwhelming".*

*But that evidence is by no means complete. It is fragmented. It does not provide a broader picture of what is happening at the level of the entire planet.*

*Scientists and medical doctors have documented the tragic circumstances of vaccine related deaths of numerous people in all walks of life and age groups, including children and new born.*

*Emanuel begs the question "So IS the truth getting out? Or isn't it?"*

*Numerous individual cases of Covid-19 vaccine related mortality are carefully documented on a daily basis: Musicians, Singers, Pilots, Athletes, High School Children, Children from 5 to 12 Years Old, Newly Born babies, Vaccinated Pregnant Women, the list is long.*

*See the outstanding analysis of [Dr. William Makis](#). Below is a selection of recent articles:*

### The Broader Picture

*What is documented (individual cases) by Dr. William Makis is happening at the level of the entire planet.*

*We must address the broader picture: Millions of people are affected by the Covid-19 vaccine all over the World. The Covid-19 Vaccine is affecting humanity in its entirety.*

*We require “to get the truth out” . In the words of [Emanuel Garcia](#):*

*“Judging from the normies I know, it’s not. Anti-vaxxers are nut-jobs and pariahs who are to be shunned by members of the Church of Vaccinology.*

*The point I wish to make here, psychologically speaking, is that the jab campaign and the propaganda behind it – which has been decades in the marinating – has created a mindset that truth cannot enlighten.”*

*We have to inform our fellow citizens and apply common sense.*

### What is the Impact of the Covid-19 “Vaccine” at the Level of the Entire Planet?

How does it affect humanity’s population of 8 billion people including new born children as well as the unborn?

I have examined the data at a World level. It boggles the mind.

Over a two year period starting in mid-December 2020, more than 12.9 billion vaccine doses were administered across 184 countries (Bloomberg, [September 21, 2022](#), see graph below).

Global Total (10 months to 75% coverage)

Doses administered: 100M

Note: \*Coverage may exceed 100% in some places, as shots may be administered to non-residents. The “daily rate estimate” is a seven-day trailing average; interpolation is used for jurisdictions with infrequent updates. Data are from Bloomberg’s Covid-19 Vaccine Tracker.

[Recorded September 21, 2022: 12.9 Million doses administered \(mid December 2020- September 21, 2022\)](#)

At the time of writing (July 1, 2023), almost [13.5 billion vaccine doses](#) have been administered to a Worldwide population of 8 billion people, i.e. an average of 1.7 doses per person.

Vaccination	▼
Total doses admin...	▼
13,461,751,619	vaccine doses administered
5,579,548,776	persons vaccinated with at least one dose
5,137,861,772	persons vaccinated with a complete primary series

The data compiled by the WHO (June 27, 2023) is as follows ([see WHO table](#)):

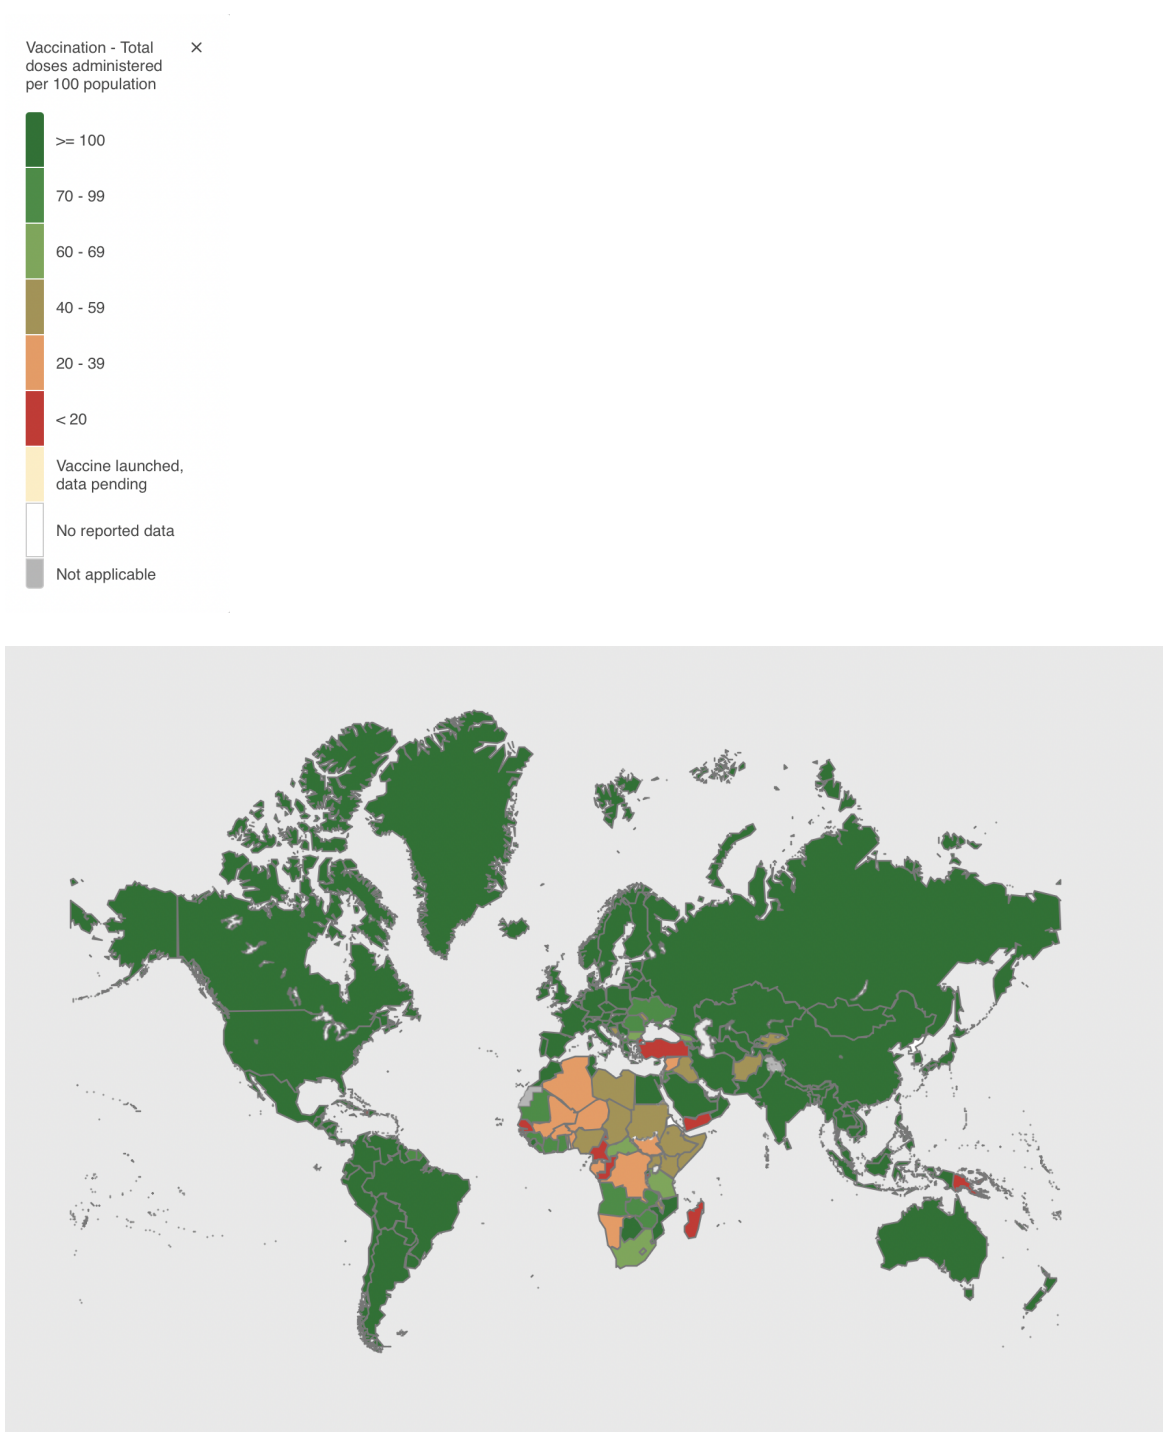

- 13,461,751,619 vaccine doses administered
- 5,579,548,776 persons vaccinated with at least one dose
- 5,137,861,772 persons vaccinated with a complete primary series (CPS)

The figures above confirm that approximately 70% ( 5.138 billion people) of the World’s population has been vaccinated with “a complete primary series” which normally consists of at least two vaccine doses.

The WHO map below should be carefully analyzed. 13,5 billion doses have been administered.

In most countries, including the most populated countries on the planet, the total number of vaccine doses administered per 100 population is well in excess of 100 (dark green in map below).

The only region of the World which so far has escaped the “Killer Vaccine” is Africa, with barely 25% of its 1.4 billion population fully vaccinated ([Africa CDC](#)) (see map below). In recent developments, the African Union, Africa CDC in liaison with the WHO is to establish local vaccine manufacturing facilities in Africa. This target is to fully vaccinate 70% of Africa’s impoverished population. We call upon the people of Africa, who are already [the victims of an unprecedented food crisis](#) to firmly oppose this insidious agenda, which in a bitter irony is fully [endorsed by the IMF](#), as part of their “shock and awe” reforms which over the years have contributed to impoverishing an entire continent.

Whereas national governments and the WHO publish [fake statistics pertaining to alleged SARS-CoV2 related mortality](#) (see Chapter III of Michel Chossudovsky’s book), they fail to inform the public regarding the deadly impacts of the Covid-19 Vaccine, (i.e. the tabulation of country-level Covid-19 Vaccine related mortality and morbidity).

## Media Disinformation and “Fake Science”: Fear Campaign. “The Virus is more Dangerous than the Vaccine”

A sensationalist BBC report under the title: Why is the Virus such a Threat” ... Quoting “scientific opinion” the virus’ has a “hit and run killer evolutionary tactic” to spread the Covid-19 infection far and wide.

Timely report published two weeks prior to the launching of the mRNA vaccine in November 2020. The objective of this insidious BBC report was to generate fear throughout the UK as well as acceptance of the mRNA vaccine.

“In stark terms, “the virus doesn’t care” if you die, says [Cambridge] Prof Lehner, “this is a hit and run virus”. ....

It does peculiar and unexpected things to the body ([BBC, James Gallagher, October 22, 2020](#), emphasis added)

### Global Implications

From our knowledge of country level mortality as well as from carefully documented studies and sample surveys, the global implications of the “killer vaccine” on humanity are beyond description.

The evidence is scattered Worldwide. Multiply those documented cases by the thousands of millions of people on the planet who have already been vaccinated. It’s the future of humanity which is at stake.

What has been imposed on 184 countries is a Depopulation Agenda, a criminal undertaking (accepted by corrupt national governments) which is unprecedented in the history of humanity.

### Aggregation, Extrapolation, “Order of Magnitude”, Loss of Life Worldwide?

What should be addressed is detailed epidemiological and statistical analysis requiring a perspective of “aggregation” pertaining to the documented individual cases, the examination of country-level data where available with a view to “extrapolating” and establishing the “order of magnitude” of the loss of life at the level of the entire planet, humanity’s 8 billion population.

This study would be based on country level vaccine related data pertaining to deaths and adverse events, excess mortality studies, numerous sample surveys not to mention [Pfizers](#)

[controversial “Confidential Report”](#) which acknowledges from the “Horse’s Mouth” that #Yes, It’s “A Killer Vaccine.

## Pfizer Criminality Revealed

In early 2021, Pfizer was fully aware that the [mRNA Pfizer-BioNTech vaccine](#) –which in the meantime has been marketed Worldwide– has resulted in an unprecedented wave of mortality and morbidity.

By acknowledging the number of vaccine doses which have already been administered Worldwide, namely 13,5 billion for a World population of 8 billion, we cannot come to any other conclusion.

This is tantamount to a crime against humanity on the part of Big Pharma. It is also a Mea Culpa and Treason on the part of corrupt national governments which have obfuscated what is best described as a criminal process of depopulation, namely genocide.

We Call for the Reinstatement of “Responsible Government”. Those responsible for imposing the vaccine are “criminals”.

To Save Lives, the Covid-19 Vaccine Must be Cancelled, Discontinued Worldwide, Without Delay.

## Killer Vaccine: The Global Picture has to be Revealed

Scientists, Medical Doctors, Social Scientists, Statisticians must Address the Global Picture

“Another needless death” says Emanuel Garcia. Imagine what it is at the level of 8 billion people.

We must also acknowledge the unthinkable:

There is A Worldwide “Tide of Depopulation”. Can This Tendency be Reversed?

The Answer is through the urgent development of Health Procedures and/or Effective Medication which contribute to reversing the devastating health impacts (e.g spike protein) of the Covid-19 Vaccine.

Preliminary research is underway: See Dr. William Makis’ article entitled:

## The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

*“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”*
