How did COVID-19 present itself?

It was fatal car crashes and ensuing trauma-related deaths falsely coded as COVID, it was bacterial pneumonia, falsely named, it was hospitals getting more money for COVID diagnoses and COVID protocols (1), it was false pronouncements of PHEIC from the globalist WHO attached at the hip to the WEF. (2)

It was the cold, it was the flu, it was data manipulation writ large, where jabbed patients are listed as unvaccinated weeks after their hospital admittances. It was a perfect fabricated pretext for a global financial coup which continues to impoverish and kill us as the oligarchs grow richer and more powerful.

As long as global populations remain incredulous, fake pandemics can be fabricated through contrived Emergency Authorizations, coding changes to Death Certificates which falsely inflate deaths attributed to COVID, invalid testing, and data manipulation. This is what happened to us.

Per Mike Yeadon, the central operational deception is the tests (PCR and other tests) and the central conceptual deception is the mask. Faulty testing means invalid data, whereas ubiquitous mask-wearing creates the perception of a deadly virus, even as the WHO has admitted the virus was in line with the flu and renowned epidemiologist Dr. Ioannidis stated that it was a Low Infection Fatality Rate virus. Ioannidis also noted that distinctions in data-recording were not being made between dying with COVID and dying of COVID. This sleight of hand was reiterated by Dr. Ngozi Ezike.

The endgame has been to inject us with bioweapons, and they succeeded to a large degree. And at what cost? Job-incurred excess mortality rates are skyrocketing, as are job injuries, with Australia data showing a 5,162% increase in excess deaths in the first 38 week of 2022 (3), and top insurance analyst Josh Stirling claiming the U.S. alone is experiencing 600,000 job-induced deaths per year. (4)

If not now, when will the perpetrators of these massive crimes against humanity be prosecuted?

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
