Introduction

Would you believe, Michael Nehls, MD, PhD, molecular geneticist, immunologist, author, and educator, reveals as an insider that the mRNA shots, falsely called vaccines, were from the beginning designed to “destroy humanity”.

He claims the injections were part of a plan by the World Economic Forum (WEF), the United Nations and the World Health Organization (WHO), and Big Pharma to massively reduce world population.

One of the few insiders who blows the whistle on the truth.

One may add that among the hidden criminals were and are to this day active, also Big Finance, the Military Industrial Complex, Big IT, and the corrupted mainstream media, that dominate over 90% of western news outlets.

However, Dr. Nehls, a leading expert with inside knowledge of the plot, says the plan may not be realized in time, because the “shots were created as a *ticking time bomb*, that would continue to eliminate the vaccinated for several years after they received the shots”.

It would therefore be difficult to identify the cause of death with the covid jabs.

Besides, people who are on the path of dying, or people who know people who have most-likely died due to the shots, will not dare to speak up, either for shame or for fear.

This corner has been “wonderfully” covered by the *plotsters*. Call it – built-in mind-manipulated propaganda. See also this extraordinary interview of [Dr. Nehls by Mike Adams](#)

The delayed genocide-effect was also confirmed by Dr. Mike Yeadon, former Vice President, and chief scientist of Pfizer. See [this](#) and [this](#) and [this](#).

In a recent video, one of the main authors of the Club of Rome's "Limits to Growth" (1972) which planted the seeds for drastic depopulation talks about a 86% reduction of the world population. See [Genocide Promotion – Club of Rome "Limits to Growth" Author](#).

According to Dr. Nehls, the plan sought to "conquer the human mind" by destroying most of the human race to eliminate barriers and frontiers that are preventing the globalists from their technocratic take-over through a One World Order and a One World Government.

Dr. Nehls has also studied the effects of the mRNA vaxxes on the brain, and believes it is the way these jabs affect our minds – making people "complacent" – that made governments so eager to push them on their populations.

The "vaxxes" acting on the brain are accompanied by decades of clandestine poisoning of our Mother Earth's air, soil, and water, with micro-chemicals and microscopic heavy metal particles, through chemtrails, chloride and fluoride in the water – and much more.

The average people have no clue. But their brain capacity and emotion-sensitive pineal gland are being gradually diminished and eventually destroyed.

Let us hope that We, the People, will enter a stage of conscious awakening, able to resist and boycott their plan. We are People of the Light.
