***Covidland** eventually will be a series of five documentaries, two of which are currently available.*

- COVIDLAND – Part I: Lockdown; and
- COVIDLAND – Part II: The Mask

And these are MUST-SEE docu-movies.

**COVIDLAND – Part I: The Lockdown** (7 October 2021)

[Click here to watch the movie.](#)

**COVIDLAND – Part II: Wearing a Mask** (17 December 2021)

*Both are extraordinary docu-movies. Even for those who think they know it all – they don't. Because the presentation adds a new dimension to the COVID saga. Among others – the absolute inhumanity. The human cruelty. How our governments, which we falsely pretend having elected, but still pay their salaries with our taxes, these miserable, cowardly puppet governments, listening to kings without cloths — they keep betraying us every day. And this as long as we, The People, allow it.*

The new dimension emanating from these documentaries, prepared with feeling, with heartfelt empathy, is more than one plus one equals two. It's much more; it's increased by a factor of dynamics which has no numbers, but in this case a tremendous human impact.

Dynamics also are important in our mind, how we perceive what is going on, and especially what has been going on for the past two years.

We have a tendency to forget.

But we need to understand, to be protected for the future.

Freedom is a slippery asset, always been. If we are not careful and keep taking it for granted, it will be gone in no time. Dark forces are everywhere. They hold us in their fangs.

But, if we are people of the Light, we shall overcome.

They are few and we are many.

And may we learn and never forget, when we started acting out of panic, behaving submissively and obedient, we are becoming their slaves. That's precisely what happened. Well – very well – planned. It is what Naomi Klein calls the "The Shock Doctrine".

You create a crisis of enormous scare – and people panic and they will do everything the government tells them to do. That was implemented in the case of "Covid-19".

Of course, all the governments have to be in tune – they all have to participate in lockstep. Worldwide. As it happened, this was the case. All 193 UN member countries started a general lockdown roughly the same day, mid-March 2020, about a virus, that has never been isolated – I repeat, **a virus that has never been isolated**. For all practical purposes, a virus that didn't and doesn't exist. This clearly points to a higher force that controls by means of untold power everything that moves on Mother Earth.

It is most likely the enormous, accumulated wealth, by a few asset-management companies, like BlackRock, Vanguard, State Street and Fidelity. BlackRock and Vanguard are totally intertwined. Together, they control some 20 to 25 trillion dollars-worth of assets – which in turn provide them with a five to 8-fold leverage, thus, conservatively speaking, of at least 100 trillion. Compare this with US\$ 85 trillion (world GDP 2020). This alone might be a clear indication, who is in charge.

How was and still is it possible that by and large a world population of 7.8 billion people is being kept captive by a highly propagated but imaginary virus? Exactly this way: Most people who read these lines are still saying, *this guy is nuts*. He is a conspiracy theorist. This is the most common term for arguments, when they don't have a valid counter-argument – a term invented by the CIA in the late 50s / early 60s when they defended their Cold War

theory against the then Soviet Union, “The Monster behind the Iron Curtain”.

The “new”, invisible and non-existent virus was all based on the SARS virus that hit China in 2002 / 2003, a virus tailor-made for the Chinese genome. The “new virus” was essentially a remake.

The idea was planned and plotted by a long hand, but the final trial-run was the so-called **Event 201**, taking place on 18 October 2019 in New York City, sponsored by the Bill and Melinda Gates Foundation, The Johns Hopkins Center for Health Security and – who else – the World Economic Forum (WEF). See [this](#) and [this](#).

This was then. Just a couple of months before the official outbreak of what at first was called SARS-CoV-2. As this may have been too obvious, it was later renamed by WHO to “Covid-19”.

Imagine! A virus that has mutated since then, since the early 2020’s umpteen times, each time with the strangest new names, each time to scare people even further down the rabbit hole, into believing their life may be at stake if they don’t obey their governments and follow the ever more dictatorial even tyrannical rules imposed by their governments – especially western governments, those of the European Union (EU), the US, Australia, Canada, New Zealand, Japan and England.

With every new mutant the Shock Doctrine was driven a notch further down the people’s spine, and the fear factor in their brain proportionately increased.

All this is very well explained in the docu-videos. Here are some of the highlights of inhumanity shown in the documentaries:

- **The PCR Test** – The Plandemic would and could not exist without the totally invalid PCR test. The PCR test was invented by Dr. Kary Mullis, who won the Nobel Prize “for his invention of the polymerase chain reaction (**PCR**) method.” Dr. Mullis himself, long before the “official” outbreak of the plandemic, declared that the PCR method was invalid – repeat *invalid* – to determine any viral diseases. This was not the purpose of the PCR test. Strangely, Dr. Mullis was found dead in his apartment on 7 August 2019, a few months before the covid-19 “outbreak”. No serious investigation has determined the true reason for his death.
- **The brutality of separating ancient people** in hospices and homes for the elderly from their children and grand-children – even if they were at the point of dying. The human cruelty is unbearable.
- **The tyrannical man hunt for the unvaccinated** – in Austria literally manhunts are planned. Fines in excess of US\$ 4,000 per infraction – escaping mandatory vaccination.
- **Forced confinement in emergency hospital beds** – with induced artificial comas from which on average 87% do not wake up (NYC hospital statistics).
- **False declaration / registration as covid patients**, even when they suffered other co-morbidity and primary causes for hospitalization and / or death.
- **Incentive payments to hospitals for declaring “covid patients”** and for indicating covid on their death certificates.
- **Full hospital beds**. How they made and still make people believe that hospital beds are at the brim with “unvaxxed” covid patients – while proven reality shows

a completely different picture.

- **The role of coercion, pressure, blackmail** and outright threat, in implementing this outlandish lie about full hospital beds.
- **Mask-wearing oxygen deprivation** – Damages caused to people – including in some countries children from age 5 – by the lack of oxygen for mask-wearing – the brain damage it may cause especially in young people.
- **Social segregation** by imposed mask-wearing and “social distancing” – psychological degradation....

.... And many more.

Please watch the videos. They are telling and instructive – and mind-blowing. How far have humans let themselves be manipulated into fear, into obedience, to the point where according to Dr. Reiner Fuellmich, the German lawyer, who with a contingent of many hundred lawyers and scientists is pursuing these criminals for Nuremberg 2.0, a People’s Trial.

On the other hand, just in – 19 January 2022:

Boris Johnson, UK’s PM, Announces End of Covid Restrictions ([Independent](#)) – 19 January 2022.

In the same vein, **Anthony Fauci confirms that the PCR test cannot detect live viruses**. Anthony Fauci confirms that neither the antigen test nor the PCR test can tell us whether someone is contagious or not!!! This invalidates all the foundations of the so-called pandemic. The PCR test was the only indication of a pandemic. Without PCR-TEST no pandemic. For all the press workers, doctors, lawyers, prosecutors etc. THIS is the final key, the ultimate proof that the measures must all be lifted immediately!

Yet, this earth-shaking event of the Brits ending all Covid restrictions, and the falsehood of the PCR test, was not mentioned once by the Continental European mainstream media today 20 January, meaning, “they” – the powers of vaxxing – totally ignore it, as the relentless killer steamroller of testing-testing-testing and vaxxing-vaxxing-vaxxing, moves forward, as if it was the abject criminals last chance to maim and kill as many people as possible before the grand awakening.

For example, Austria’s Parliament just declared as the world’s first country a country-wide vaxx-obligation – totally against universal human rights. Those who try to escape the law will be fined by over US\$ 4,000 equivalent. This law is to enter into effect as of 1 February 2022 – see [this](#).

Klaus Schwab’s virtual WEF is continuing (17-21 January 2022), with the landmark Brits ending all covid restrictions, seems to be worth not one mention – of course not by Schwab, but not by any of the daily speakers.

This horrendous global-dimension dystopia must come to an end. And it will.

The tide is turning. It may be slow, but turning it is.
