[and WMD](#), [US NATO War Agenda](#)

Next came brave Syria, which has resisted at terrible cost; but the propaganda war runs thick.

Few in the west seem to be able to penetrate it.

What was at first said to be a nationalist and secular ‘revolution’ – an uprising against a ‘dictator’ who was killing his own people – is now led by ‘moderate rebels’ or ‘moderate Islamists’.

The extremist Islamists, who repeatedly publicise their own atrocities, are said to be a different species, against whom Washington finally decided to fight. Much of this might sound ridiculous to the average educated Arab or Latin American, but it retains some appeal in the west.

War Propaganda and Dirty Lies supports Dirty Wars

Repeated dirty lies feed the dirty war on Syria but, after a while, we can recognize some patterns:

Daily Lies in the Dirty War on Syria

NATO-Islamist Lies	Syrian reality
'Syrian Civil War'?	NATO and Gulf Monarchies backed armed attacks on Syria from March 2011; terrorists are from 80+ countries.
'Syrian Rebels' vs ISIS extremists?	All armed gangs are NATO-Saudi-Qatari backed Islamists, they squabble over arms and money but have the same goals.
U.S. coalition's has a 'War on ISIS'?	Washington uses ISIS as an 'attack dog' against both Iraq and Syria, protecting separatist Kurds. Fake bombing campaign.
Syrian Army is 'barrel bombing' civilians?	Every effective air strike against NATO-Islamists (based on NATO-Islamist sources) is said to be killing civilians.
Syria/Assad not fighting/supporting ISIS?	Syrian Army is the only effective force against ISIS. However their priority has been to protect the cities of western Syria.
'Syrian regime about to fall'?	Same headline every year since 2011. Syria resists.

"Every day the opposition gives a death toll ... many of those reported killed are in fact dead opposition fighters but ... described in reports as innocent civilians killed by security forces" - Anti-Syrian journalist Nir Rosen, Al Jazeera, Feb 2012

Syrian barrel bombs kill 71 civilians at markets near Aleppo

The shelling by the Syrian Arab Army to this site resulted with the death of 81 terrorists gathering inside this location
