These quotations taken from the following video production, brilliantly reflect what is going on today:

“Directed Evolution”, Final Days

Worldwide Premiere, Stew Peters, Nano-architectonics Explained, (Matthew Skow, Nick Stumphauzer – BitChute video 1:05:06 – 1 June 2023).

- *“The Power of Technology has already destroyed the Foundation of Civilization.”*
- *“The Technological Cycle – is the progression from man to Machine.”*
- *“The ‘Demonic Intent’ is to weaken us on a civilizational level.”*
- *“The ‘Demonic Intent’ – the fine print. The true motivation.”*
- *“The ‘devil’ has the power to grant us material things, but only if we accept his pact.”*
- *“Giving you some measure of material power is easy for the ‘devil’, because in the end he gets exactly what he wants.”*
- *“Our soul cannot be stolen, unless we give it away.”*
- *“Have you ever signed a Terms of Agreement without reading it? – Then it may already be too late.”*
- *“There are always two sides to the ‘demonic pact’. The initial and beneficial effect, and the payment.”*
- *“The full extent of this cost is hidden. You may find out when it is already too late.”*
- *“We are destroying the planet along with our own minds and bodies.”*
- *“It is the soul of the fool, who dares to ‘dance with the devil’.”*

What better proof of “dancing with the devil” than true life examples.

The Gotthard Base Tunnel

Watch this 6-min video clip of the Gotthard Base Tunnel Opening Ceremony, on 1 June 2016, in Switzerland prior to viewing “Directed Evolution”, Final Days.

This was one of the most blatant announcements of what was to come just 4 years later. Hardly anybody noticed at the time. Most people in Switzerland ignored it. They still ignore it today. The “*Luciferian Event*” was attended by high-level politicians and celebrities from all over Europe, and some from other parts of the world.

The event was sponsored by the Swiss Government at a cost of about CHF 8 million (US\$ 8.3 million).

The entire Swiss Government, Federal Council and some Swiss Congress people were present at the Gotthard inauguration.

Also present were Germany’s Angela Merkel, France’s François Hollande, Italy’s Matteo Renzi, and Austrian chancellor Christian Kern. The European Union was represented by Transport Commissioner, Violeta Bulc. Most likely other European and world politicians and celebrities were also participating. There were around 500 VIPs and “famous people” on the first train passing through the tunnel.

In addition, the event attracted a press pool of more than 300 journalists from all over the world, Europe, the US and as far away as China, Russia, Kuwait, Turkey, Japan, and more.

The presumed “Death Cult” cannot succeed, nor survive, without warning us all the time. This is a condition of their “underworld existence”. And warnings we have received many over the past hundred years, or so. We have ignored most of them.

Granted, talking about “a dark diabolical Cult”, responsible for what humanity is going through since the beginning of 2020, calling *The Great Reset*, *The UN Agenda 2030*, and ultimately the *Fourth Industrial Revolution*, an evil-spirited and inspired plan, sounds for most like “conspiracy theory”.

It is not.

In fact, what is going on is an “*evil conspiracy*” of the most extreme and potentially final form, if We the People let it happen.

But, without We, the People, being aware of what is going on, we cannot stop it.

Despite all repeated warnings that the Cult must give us – see for example the Gotthard tunnel inauguration, video above – we have been too complacent, not paying attention, being diverted by material things, by little pleasures, like “catching-up” after the three years of covid restrictions, with spending money on consumerism, travel, “gourmand” wishes, in short: *We deserve it*. That is what we think.

Do we really deserve it?

Nothing comes from nothing.

Don't you think this is part of the diabolical plan?

Giving us a retrieve after the Covid disaster? Diverting our attention with a trip to an exotic island; a perfect diversion from their final plan being prepared underground or behind black curtains?

To continue deserving a decent biological life, as we have known up to the designated "evil decade" 2020-2030, or the *Great Reset* - intimately linked to the 4th *Industrial Revolution*, we must work for it, for ourselves and foremost for our kids and their children.

The transformations planned by the upper spheres of the financial establishment through Artificial Intelligence (AI) and synthetic biology, will not just rest within our generation. They are passed on to future generations with the deadly extermination effects, as we are being warned about *NOW*. See below.

All the while we are engulfed in pleasure-catching-up pastimes, the monstrous bulldozer of transforming the surviving humans into controllable and manipulable transhumans continues, *RELENTLESSLY*. Please, do not be fooled. Open your eyes.

The two principal participants in this mind-boggling presentation of "*Final Days*" - what may also be called "*Directed Evolution*" - are Dr. Karen Kingston, former Pfizer, employee and biotech analyst, talking about synthetic biology, and Dr. Ana Mihalcea, researcher into nanotechnology injected with the C19 "vaxxes" during the plandemic. She talks about blood clots discovered in living patients containing hydrogel. *We are witnessing the merging of synthetic biology with human biology*, she says.

Dr. Mihalcea is also the author of [*"Light Medicine - A New Paradigm - The Science of Light, Spirit and Longevity"*](#) .

They are in the forefront explaining how covid injections were never just about Reducing Population, but much worse than their deadly side effects, they are about transhumanism.

Dr. Kingston also reveals that their plan was - and if we allow it, still is - a lifetime of injections, a lifetime of system's upgrades, à la Microsoft. Do we remember, who if behind Microsoft?

This information apparently stems from the patent itself.

Dr. Kingston and Dr. Mihalcea also reveal that AI has already much more progressed than we thought, being already in control of people who were injected with Pfizer and Moderna potions containing carbon oxides which, once in your body, become highly magnetic, thus manipulable by 5G microwaves.

“Directed Evolution”, Final Days

Towards Digital Tyranny

It might be revealing in this *Final Days* video contains a 2016 clip of an interview of Klaus Schwab, WEF, telling the Swiss French TV moderator that by 2025 we may be all chipped to become transhumans, being able to interface with the electronic world.

The TV reporter is stunned, has an embarrassed smile, no words. See the interview with Schwab followed by Peter Koenig’s analysis below.

Isn’t it a strange coincidence that this interview takes place around the same time as the “Luciferian” Gotthard inauguration? Another warning, we obviously ignored.

“*Evil science*” is at the verge of introducing technology that mimics biology with the intention of converting all biological lifeforms into technological life forms.

AI is aiming at exterminating humans through Synthetic Biology. That is *their* ultimate goal. The longer we close our eyes to this reality, the faster they advance with their deadly agenda.

What is synthetic biology? It is meat without cows and eggs without chicken, it is all lab-made food.

Similarly, in the human body it means, our natural biology is being transformed into synthetic biology, into nanotechnology that answers no longer to human emotions, but to electronic impulses from outside, i.e. 5G microwaves, soon to be complemented by 6G.

We may become manageable from outside, by the Masters-that-be, without even knowing it. Some of us most likely already are.

The Transhumanist Agenda

These “vaxx” concoctions are genius, evil genius, but genius nonetheless, as they change the very essence about humanity, altering the human to merge it with the machine. Karen Kingston reveals that all covid injections approved by WHO had tracking and tracing capabilities inside the human being.

Dr. Karen Kingston & Dr. Ana Mihalcea also join Maria Zeee to expose their correlating findings that confirm the hypothesis regarding the transhumanist agenda.

Human beings are being replaced with synthetic biology, the strange clots being found

inside people causing them to die suddenly is hydrogel (programmable matter), and AI may be far more advanced than we could have imagined, already in the process of exterminating humanity.

Their interview with Maria Zee - *Zee Media* - is complementary to *Final Days*.

Conclusion

Nobody in his right mind can believe that reputed organizations like, the entire UN system, with its Secretary General, António Guterres; WHO, with its Director General, Tedros Adhanom Ghebreyesus – both in office since 2017; GAVI, the Vaccination Alliance; the World Bank, the IMF, the World Economic Forum (WEF) in Geneva, the Bank for International Settlement (BIS) in Basle, the Club of Rome in Winterthur, strangely, all in Switzerland – plus a myriad of international and regional organizations are following a diabolical agenda to bring about the end of humanity as we know it, for power and control.

But, yes, that is the way it is. None of these organizations has an awakened human being at its helm, who dares defending the truth, defending humanity against these “diabolical monsters”, None. They may be threatened and/or rewarded for doing “the devil’s bidding”, aka. bribes and corruption.

Nobody will believe that these “people” which oversee the World’s financial structures and institutions are non-people, that they are “envoys of an underworld”, intent upon destroying the planet’s civilization.

The driving force is “profit”, the destruction of sovereign nation states and the corporate acquisition and AI transformation of the global economy and the military industrial complex. There is a World Government Project behind the “Cult”, controlled by the upper spheres of the financial establishment.

For most normal living beings, such assumptions are “conspiracy theories”.

What if they are *true conspiracies*? Not theories, but *real conspiracies*?

Think about it.

Their best weapon is making us believe that we are “conspiracy theorists”, that we are sick in our brains... as the *Fourth Industrial Revolution*, the all domineering Artificial Intelligence (AI) is playing out in full, ready to kill who ever rebels.

As this video - “*Directed Evolution*” says, “*Our Soul cannot be stolen, unless we give it away.*”

While watching the video, you will find many historic events that remind you of having seen them, experienced them, lived through them, before, but never connected the dots. Now is the time.

The Great Reset is in full swing. If we follow the UN Agenda 2030, it would tell us, we are not even halfway through. But that too is a lie.

We know from George Orwell's "1984" – nothing is what it appears.

Everything is deceptions and lies.

Lie is truth, and War is Peace.

Agenda 2030, the Great Reset, we do not have until 2030 to stand up and defend our rights and our lives. The Great Reset, with covid as *THE* opportunity to Reset the World – in the name of the noble UN Agenda 2030, is precipitating upon us.

Covid is THE opportunity to reset the world — Klaus Schwab, Justin Trudeau, Angela Merkel, Emmanuel Macron, and all those WEF scholars of Young Global Leaders (YGL), infiltrated in Governments around the world (Schwab's words), in unison, is also beautifully reflected in the *Final Days* video.

We are flocking, ever more running, to an abyss – which with every day is moving closer.

Most of us, still have no clue.

Twenty-thirty is a *Great Deception*. The *Great Reset* is advancing in giant steps. We do not have six years left. We have zero time left.

It is now.

We MUST act NOW.
