Compulsory Vaccination in Europe

Today the **European Court of Human Rights (ECHR)** has just opened the door **for mandatory COVID-19 vaccines across the continent**. It voted against the right of parents in the Czech Republic to refuse mandatory COVID-19 vaccinations for their children. The judgement was based on the value of the “common good” which, according to the court, is above the [human right](#) to refuse vaccination. See [here](#).

RT reports today,

“The COVID-19 pandemic has coughed up many issues about what our governments and public health authorities can do, none more controversial or divisive than those surrounding the mass compulsory vaccination of entire populations.”

This is setting a precedent throughout Europe for the governments to proceed with compulsory vaccination against what was once upon a time a “human right”.

The seemingly unavoidable tyranny is taking form, every day more and clearer. It seems, all courts have been taken over by the “satanic cult” that pretends to rule our world, our humanity

SPARS Pandemic 2025-2028

On another note, is there a plan to launch a new pandemic (plandemic), the **SPARS Pandemic 2025-2028**.

This is [based on a Johns Hopkins Center for Health Security paper](#) that was apparently written already in 2017, as a fictitious scenario “in the future”.

This, just 2 years before the infamous Event 201 (18 October 2019 in NYC), where a SARS coronavirus simulation gave birth to the COVID-19 pandemic the humanity is presently burdened with.

It had been written for “decision-makers”, government officials, the co-opted scientific and medical community and politicians. Is it real, or is it fake to deviate public opinion from what is being imposed today on humanity?

Why would it surface now, and why would they tell us what strategy those who are to betray us shall apply?

Be the judge.
