

Face to Face with the Truth. The War against Syria and its People

Theme: [US NATO War Agenda](#)

Everybody who has been paying attention knows that the war on Syria is not a civil war, that it was and is externally-orchestrated, perpetrated, and sustained, and that the on-going catastrophe was avoidable.

The U.S Empire and its NATO accomplices, including Canada, are entirely responsible for the carnage and the on-going holocaust. Western open sources acknowledge all of this.

What people may not realize is that the War against Syria and its peoples started well before the violence erupted. Regime-Change Wars, which are Supreme International War Crimes, do not just “happen”. (Just as preparations for the war against Afghanistan, the first country to be attacked post-9/11, occurred well in advance of 9/11).

In the following episode of Janice Kortkamp’s “Face To Face”, she walks us through a timeline[1] of war preparations that Washington, its allies, and their agencies – the real “brutal dictators” – engaged in to prepare the ground for their overt war crimes and terrorism against non-belligerent, sovereign, Syria.

Notice that Empire is using similar strategies in its war-making against Venezuela, Iran, and beyond. It is vilifying the respective governments’ leadership, it is waging economic warfare against them, and it is preparing proxy terrorist forces for ground invasions.

In Iran, as with Syria, the same terrorists that the West supports – including ISIS and al Qaeda[2] – will be used as pretexts for invasion, as forces for destroying Iran, and as pretexts to justify enlargements to the domestic police/surveillance state apparatus in North America.
