Global Research, January 29, 2022

Tens of thousands of Canadian cross-border truckers with support from their compatriots and American counterparts from coast to coast have arrived in Ottawa.

Freedom Convoy 2022 is a mass movement that was organized to address not just the vaccine mandate but also the prolonged freedom restrictions and disregard for human rights by the Trudeau government.

Millions of people are demonstrating in Ottawa and nationwide in support of the truck drivers.

Prime Minister Trudeau has casually described the Freedom Convoy as a “small fringe with unacceptable views”. His legitimacy as head of government is being challenged from coast to coast.

In turn, the corporate media has initiated a hideous propaganda campaign, intimating that “[convoy organizers have history of racism, extremism](#)”. The media casually describes the Freedom Convoy 2022 as a “far-right” initiative comparable to the Washington D.C January 6, 2021 “riot” on Capitol Hill.

One would expect under a democracy, that the Prime Minister of Canada and members of his government would enter into a constructive dialogue with representatives of The Freedom Convoy 2022 with a view to reaching a solution to the crisis. That is not going to happen. The Trudeau government considers the Freedom Convoy as a potential security threat. According to media reports:

*“Amid security concerns, Trudeau and his family have been moved from their home [official resident at 24 Sussex Drive] to an undisclosed location in the nation’s capital”.

Freedom Convoy 2022

The Freedom Convoy 2022 initiative seeks all avenues through peaceful means to restore fundamental human rights through dialogue with and within public and private institutions, law enforcement officials, members of the military and the judicial.

What is required is to break down the structures of corruption, hierarchy and abusive authority, namely to pursue what might be described as: “the democratization of decision-making within our institutions”.

This historic event is setting the stage for the world to emulate. Hope is around the corner.

There is strength in numbers. Unite and resist the medical tyranny!
