We are currently at the crossroads of the Most Serious Economic and Social Crisis in World History. It is an outright war against all humanity: the Planet's 8 billion people.

Starting with the corona crisis in late January 2020, the global crisis (2020-2023) -which is ongoing- has literally disrupted and destroyed people's lives Worldwide in the course of the last three years.

In turn, the dangers of a Third World War are routinely obfuscated by the media. A world of fantasy permeates the mainstream media which tacitly upholds the conduct of nuclear war as a peace-making endeavor.

Everything is interrelated: the war in Ukraine, censorship and the derogation of fundamental rights, the Lockdowns and Covid-19 "killer Vaccine", corrupt governments, ... (Michel Chossudovsky)

This interview addresses the complexities of this global crisis.
