Global Research, May 11, 2020

On GlobalResearch.ca, the view points we put forth are not selected in the interest of pushing a specific narrative, but rather in breaking down divisions and building a dialogue. We publish pieces by a wide variety of specialists including journalists and scholars, political analysts and historians, ex-military and intelligence personnel, scientists and environmental experts, to name but a few.

To ensure the longevity of Global Research, we need your help! Our content will always be free, but your donations and membership subscriptions are essential to the functioning of our website.
