

## Global Research: Powered by Readers

By [The Global Research Team](#)

Global Research, January 06, 2020

We are happy to say that we started 2020 with a big surge in readership. On the other hand, we also note that out of the 300,000+ visits to our website over the past few days, very few financial contributions were made to support the running costs of our website.

We are deeply indebted to all of those who have already come to our support, your generosity is a large part of what keeps this project up and running. If the articles you read on this site help make some sense of the crazy world we live in, we kindly ask you to help keep Global Research alive by making a donation or becoming a member today. More information below:
