Dear Readers,

While we must always hold on to hope, true peace can only be achieved through awareness and action. With recent tragic events in the US, we are reminded of Professor Peter Dale Scott's words: *"The future of our threatened world urgently requires the strengthening of a global public opinion, to resist and overcome the wrongdoings of oppressive local powers."*

Your feedback tells us that Global Research continues to be a vital source of information in today's uncertain times. We thank you, and pledge that we will continue to deliver the cutting-edge research and insight that you have come to rely on.
