The overcommercialization, exploitation, lies of 9/11 are repulsive, at best!

The foolish cannot, or will not, think deeply enough to see that many more people here and all across our planet have died, lost their way of life, lost their cultures and had their cities, towns and villages made uninhabitable, all because of the actions of those who created the 9/11 approach to "ruling" humanity.

If it weren't for honesty and accuracy in reporting, from people like you, the rest of us, who prefer to think for ourselves by reading between the lines in our search for truth, may never find it!

To the humane and caring people, whether they are in Bahrain, Libya, Iraq, Afghanistan, Europe, America and everywhere else, I support you and all you do to put the humane back into humanity! You are the true heroes on our world!

Thanks again for your pursuit of the truth, it is invaluable!
