Global Research, April 02, 2024

For the newcomers: Global Research is in the crosshairs of the Establishment and the Big Tech for our fearless, no-holds-barred reporting. We are a reader-supported entity, making us accountable to no one but to our readers alone.

Like you, we strive for global peace and justice; that is why we are here as an independent media organization.

Needless to say, you are our lifeline. Because censorship has unfortunately taken a toll on our readership, we strongly encourage you to help us sail on. Active online referrals keep us afloat. Our future is in your “hands”:

1. Forward the daily Global Research Newsletter and/or your favorite Global Research articles to your family, friends, and respective communities;
2. Use the various instruments of online posting and social media to “spread the word.” Click the “like” and “share” buttons on our articles’ pages for starters. Help keep our articles circulating;
3. Encourage family and friends to sign up for our newsletter ([click here for sign-up form](#)); and
4. Follow us on our social media and subscribing to our Telegram channel.

Moreover, if you have the capacity to help us meet our operational costs, you may click on the links below to become a member or make a donation. We sincerely appreciate your generosity.
