Dear Readers,

The goal of the Global Research website is to shed light on complex and controversial issues often neglected by the mainstream media. You help this light shine brighter by sharing the information we publish, engaging in research and dialogue, and achieving real and sustainable empowerment.

Global Research is proudly independent and does not seek financial support from any private or public foundations. It's not that we don't answer to anyone — rather, we answer to everyone. We have been able to develop our activities almost entirely thanks to contributions from our readers.

Please continue to support us in our day-to-day operations and help us expand our scope and content by clicking below to contribute financially via a donation or a membership subscription.
