Global Research, April 06, 2020

Dear Readers,

Global Research strives for peace. We act as a global platform for much needed debate and dialogue within the context of a very complex crisis. We need to stand together to find our way amid misled politicians, media misrepresentations, and the suppression of independent thought.

We are powered by our readers and are indebted to your support. If you are in a position to make a financial contribution to our project, please click below...
