Dear Readers,

The world is changing – but whose voice is telling you how?

Global Research strives for peace. We act as a global platform for much needed debate and dialogue within the context of a very complex crisis. We need to stand together to find our way amid misled politicians and the suppression of independent thought.

We publish the writings of a wide variety of expert authors from all over the world. In turn, Global Research needs [support](#) from its readership to unravel the web of deceit and media disinformation being fed to the general public. With your help we can grow our readership and contribute to an awakening of the people in these divisive times.

The Global Research [fundraiser](#) is underway. Thank you for your continued support during this critical period. Help us reach our goal of \$25,000 so we can continue to cover our running costs, please [click here](#) to donate or [become a member](#).
