

# Global Research: The Silencing of Independent Media. We Need Your Help

By [The Global Research Team](#)

Global Research, April 26, 2021

*We are currently facing an unprecedented threat to the independent media and freedom on the Internet. An increasing number of search engines & social media implement algorithms which are negatively biased against independent news and analysis websites such as Global Research. The ultimate goal is the silencing of any voice of opposition to the mainstream narrative.*

To ensure the longevity of Global Research, we need your help! Our content will always be free, but your donations and membership subscriptions are essential to the functioning of our website. Free content involves some very real costs. We cannot meet these costs without your support.

We ask you to [help us](#) ensure that Global Research remains a valuable online research tool for years to come. Keep independent media alive. If you value our work, support Global Research by clicking below:
