At Global Research, our intention is to continue to promote independent voices that speak out on issues too often neglected by the corporate media.

We make sure that everything is in place in order to deliver timely content to you on a daily basis.

As you may already know, we are affected by online censorship now more than ever.

To help fight disinformation and reach a broad readership, we would like to ask you, our readers, do you have suggestions on how we can improve our daily Newsletter to make it more engaging and reader-friendly?

Please send your thoughts and comments to jez.crg@yahoo.com.

Our sincere gratitude for your support!

For peace,

The Global Research Team
