

Global Research Weekender: What Is WEF's "The Great Reset" and Why Should We be Worried?

By [Global Research News](#)

Global Research, February 12, 2022

According to the [World Economic Forum](#) (WEF), "There is an urgent need for global stakeholders to cooperate in simultaneously managing the direct consequences of the COVID-19 crisis. To improve the state of the world, the World Economic Forum is starting The Great Reset initiative."

There is no gainsaying that the COVID-19 pandemic has drastically and massively disrupted the social, political and economic order. But take note, the WEF is already leading the pack in addressing the dire consequences of the "public health emergency" of which they are the cause. In fact, the WEF has predicted that in 2030, "you'll own nothing, and you'll be happy."

What is this so-called The Great Reset initiative? And why should we be worried?
