*Abu Bakr al-Baghdadi, the alleged head of Al Qaeda in Iraq (AQI) renamed ISIS-ISIL-Daesh in 2014. This Al Qaeda jihadist group was created and supported by the US and its allies.*

*The following video features Presidential candidate Hillary Clinton who candidly acknowledges that America created and funded Al Qaeda as a terrorist organization in the heyday of the Soviet-Afghan war:*

““Let’s remember here... the people we are fighting today we funded them twenty years ago

... let’s go recruit these mujahideen.

“And great, let them come from Saudi Arabia and other countries, importing their Wahabi brand of Islam so that we can go beat the Soviet Union.”

And that is precisely what the US is doing in Syria: using their Al Qaeda “Moderates” to fight against Syria and Russia. For Moscow, it is “Déjà Vu.

The plan in Afghanistan was to destroy the secular state and install a proxy U.S. Islamic State. The same objective prevails in Syria.

*What Hillary does not mention is that at no time in the course of the last 36 years has the US ceased to support and finance Al Qaeda as a means to destabilizing sovereign countries. It was “a pretty good idea”, says Hillary, and it remains a good idea today:*

*Amplly documented, the ISIS and Al Nusra Mujahideen are recruited by NATO and the Turkish High command, with the support of Saudi Arabia, Qatar and Israel.*

And Trump has endorsed US support for Al Qaeda and ISIS “rebels” in Syria. America is a state sponsor of terrorism, which uses Al Qaeda affiliated mercenaries to wage war on Syria.

US, French and Israeli operatives are fighting alongside Al Qaeda in Southern Syria.

*The Global War on Terror (GWOT) is led by the United States. It is not directed against Al Qaeda.*

Quite the opposite: The “Global War on Terrorism” uses Al Qaeda terrorist operatives as their foot soldiers.

“Political Islam” and the imposition of an “Islamic State” (modeled on Qatar or Saudi Arabia) is an integral part of US foreign policy.

America is the Terror State.

The GWOT is a diabolical instrument of Worldwide conquest.

It is a means to destabilizing sovereign countries and imposing “regime change”.

Clinton’s successor at the State Department, John Kerry is in direct liaison with Al Nusra, an Al Qaeda affiliated organization in Syria, integrated by terrorists and funded by the US and its allies.

In a bitter irony, John Kerry is not only complicit in the killings committed by Al Nusra, he is also in blatant violation of US anti-terrorist legislation. If the latter were to be applied to politicians in high office, John Kerry would be considered as a “Terror Suspect”.

New Normal? Al Nusra is on the State Department blacklist of terrorist organizations and the US Secretary of State is channeling money and weapons to Al Nusra.

Support to Al Qaeda operatives in different countries by the US government is known and documented.

In this upside down World, the Lie prevails: The Protagonists of the “Global War on Terrorism” and the “Responsibility to Protect” are the Terrorists.

Its a circular relationship, a vicious circle: Those who lead the “Global War on Terrorism” in the name of “Democracy” are those who are supporting and financing terrorist organizations, which they themselves created.

## TRANSCRIPT AND VIDEO

“Let’s remember here... the people we are fighting today we funded them twenty years ago... and we did it because we were locked in a struggle with the Soviet Union.

“They invaded Afghanistan... and we did not want to see them control Central Asia and we went to work... and it was President Reagan in partnership with Congress led by Democrats who said you know what it sounds like a pretty good idea... let’s deal with the ISI and the Pakistan military and let’s go recruit these mujahideen.

“And great, let them come from Saudi Arabia and other countries, importing their Wahabi brand of Islam so that we can go beat the Soviet Union.

“And guess what ... they (Soviets) retreated ... they lost billions of dollars and it led to the collapse of the Soviet Union.

“So there is a very strong argument which is... it wasn’t a bad investment in terms of

Soviet Union but let's be careful with what we sow... because we will harvest.

"So we then left Pakistan ... We said okay fine you deal with the Stingers that we left all over your country... you deal with the mines that are along the border and... by the way we don't want to have anything to do with you... in fact we're sanctioning you... So we stopped dealing with the Pakistani military and with ISI and we now are making up for a lot of lost time." (HILLARY CLINTON)
