Here is a collection of articles from Global Research documenting the Covid Deception that has been fostered on the Western World. The deception that is being forced on people is so counterfactual that it is difficult to avoid the question whether a very dark agenda is in play. Our insouciance and inaction are allowing the net of deception to close us in and prevent our resistance.

Some of these articles below give one part of the deception but aren’t aware of other parts of the deception and thus give some ground to the official narrative. When you read them keep in mind these established points:

- (1) the PCR test is faulty and the false positives from this test are the foundation of the alleged “pandemic,”
- (2) deaths and injuries from the mRNA vaccines are attributed to Covid, not to the vaccine, and are not reported as reactions to the vaccine,
- (3) the mRNA vaccines in effect train the virus to escape immune response, thus creating variants that are not controlled by immune responses. Alternatively, adverse vaccine reactions are called “variants.”

Clearly, the mRNA vaccines do not protect. They worsen the situation.

Pfizer’s own former Vice President and Chief Science Officer tells you this himself:

I have given you enough facts in articles on my website that if you don’t understand by now that The Covid Deception is an attack on your health, your career, and your civil liberties there is no hope for you.

If the information below fails to rouse you, you are as good as dead.
