Imperialism will be on Trial in the UK in a series of Conference events in July.

These events bring together an array of speakers from the world of politics, academia, journalism, former diplomats and clergy to offer their insights and expertise on the subject of imperialism and neoliberalism.

They will cover Eurasia, Latin America, Ireland, Palestine, Syria, Iran, Bahrain, Yemen, Wahhabism, Korea, the Balkans, Russia, Ukraine, and the subjects/countries.

We provide a platform where an alternative perspective and analysis is presented to the audience and on-line viewers, which challenges the mainstream narrative.

All speakers are driven by a profound and sincere desire for an end to these endless wars of aggression, and regime changes. We all want peace, diplomacy, and good international relations to replace what has become the norm for the hegemony the US and it's vassal states- of coercive diplomacy, sanctions, threats of war, hot wars, cold wars and proxy wars.

We welcome an alternative to the unipolar vision advanced by the neoliberal and imperialist elites; and embrace a world which has multispheres of influence, where no one country, or group of countries dominate others.

We believe that trade and international relations should be based on parity, and not coercion and subservience. We espouse the rights for countries to have national sovereignty and self-determination, and to not live in fear of war or economic hardship from sanctions.

We are anti-imperialists, and don't pick favourites. We don't victim-blame. A victim of imperialism is a victim. No person, no country, no leader is perfect. It is not the role of the West, or any nation to impose its will on another sovereign nation.

The events are organized by Gregory Sharky, featuring Peter Ford (former UK Ambassador to Syria and Bahrain), Eva Bartlett (investigative journalist), Professor Peter Kuznick (Co-Author with Oliver Stone, Untold History of the United States), Adam Garrie, (Director, Eurasia Future), Ken Livingstone (Former Mayor of London), George Galloway, (Former MP), Rev Andrew Ashdown (Doctoral Research Student in 'Christian-Muslim relations in Syria'), Catherine Shakdam (geopolitical analyst and writer) and more!
