Global Research, July 14, 2021

Dear readers,

Running an independent counter-current news media in 2021 at the height of an unfolding World crisis is no easy feat.

Independent media and freedom of expression are threatened. The ultimate goal is the silencing of any voice of opposition to the mainstream narrative.

We find ourselves dedicating mounting time and resources to navigating our way through a maze of biased search engine algorithms. The message is nonetheless getting out. Despite online censorship, yesterday, we ended up with more than 100,000 page views, reaching people all over the World.

To confront the “Big Lie” and ensure “Truth in Media”, Global Research needs your support!

On GlobalResearch.ca, the viewpoints put forth are intent upon building dialogue and understanding.

We publish articles by a wide variety of specialists dotted all over the globe including journalists and scholars, political analysts and historians, medical doctors and scientists, ex-military and intelligence personnel, to name but a few.

Our commitment is to make our articles and videos available to the broadest possible readership, on a non-commercial basis, without the need for a login for paid subscribers. You can help us in this project by making a financial contribution below, or by sharing our articles far and wide via social media, e-mail lists, blog sites, etc.

To reverse the tide we need your help. We thank you for your support!
