21 July 2021

Dear Sirs/Mesdames,

1. Official sources, namely EudraVigilance (EU, EEA, Switzerland), MHRA (UK) and VAERS (USA), have now recorded many more deaths and injuries from the COVID-!9 "vaccine" roll-out than from all previous vaccines combined since records began.

Below are the latest data as at 3 April 2022 – seventh update (the earlier data appear in the Appendix below):

> EU/EEA/Switzerland to 15 March 2022 – 41,834 Covid-19 injection related deaths and 3,858,407 injuries, per EudraVigilance Database.
>
> UK to 9 March 2022 – 2,061 Covid-19 injection related deaths and 1,471,106 injuries, per MHRA Yellow Card Scheme.
>
> USA to 4 March 2022 – 25,158 Covid-19 injection related deaths and 5,667,613 injuries, per VAERS database.
>
> TOTAL for EU/UK/USA – 69,053 Covid-19 injection related deaths and 10,997,126 injuries reported as at 3 April 2022.

Nota Bene:

It is important to be aware that the official figures above (reported to the health authorities) are but a small percentage (1 to 10%) of the actual figures.

Furthermore, people continue to die (and suffer injury) from the injections with every day that passes.

Please bear in mind, therefore, that the official figures are higher at the time of writing (3 April 2022) than on the cut-off dates shown above i.e. 15 March 2022 (EU/EEA/Switzerland), 9 March 2022 (UK), 4 March 2022 (USA).

This catastrophic number of injection related deaths has NOT been reported by the mainstream media, despite the official figures above being publicly available.

2. The signal of harm is now indisputably overwhelming, and, in line with universally accepted ethical standards for clinical trials, Doctors for Covid Ethics demands that the COVID-19 "vaccination" programme be halted immediately worldwide.

3. Continuation of the programme, in the full knowledge of ongoing serious harm and death

to both adults and children, constitutes Crimes Against Humanity/Genocide, for which those found to be responsible or complicit will ultimately be held personally liable.

IMPORTANT MESSAGE TO THE PEOPLE:

1. Governments worldwide are lying to you the people, to the populations they purportedly serve.

2. The figures above demonstrate that the gene-based vaccines are deadly.

Yours faithfully,

Doctors for Covid Ethics
