[Bright Light News Reports](#): Drs. Charles Hoffe and Stephen Malthouse, Canadian doctors vilified for daring to uphold their oath and share the truth about Covid-19 "vaccines," join co-founder Cris Vleck, [vaxjustice.org](#), to give a voice and support to those who did what they were asked: get "vaccinated" to protect themselves and others to stop the "pandemic."

Instead, they suffered injuries and were then ignored and ridiculed for making such claims. The U.S. [OPENVAERS](#) system reporting over 1.4 million adverse events and 31,000 deaths is small testament to the incontrovertible fact that something seriously dangerous and unjust is afoot.

Join Drs. Hoffe and Malthouse and Vleck, as they discuss the 10-day touring campaign to bring Justice for the Vaccinated and visit [vaxjustice.org](#) if you or somebody you know has been injured to make a report and/or to receive support or to make a donation.

The Justice for the Vaccinated BC Bus Tour Has Launched

The pilot launch for Justice for the Vaccinated campaign kicked off on Wednesday, Sept 28th in Kamloops BC. The tour will run in select BC cities until its final date on Oct 7th where we will take part in the rally at the College of Physicians and Surgeons.

The Justice tour has 3 objectives.

1. Educate communities about the COVID -19 "vaccine" harms and raise the concerns surrounding the lack of informed consent.
2. Create videos and testimonials to share from peer to peer to warn of the potential harms caused by the COVID-19 "vaccine"
3. Gather evidence through testimonials as well as record vaccine injuries to be compiled in the Vaxxtracker database in order to create a more accurate reporting system. This will also be used as an evidentiary package for future

legal and prosecutorial projects.

The BC tour will include events at venues featuring talks by Dr. Stephen Malthouse and Dr. Charles Hoffe. There will also be a time for people who have been affected by COVID -19 “vaccine” harms to share their stories, get help making testimonials, and to have their injury reports added to the Vaxxtracker database. A tour schedule poster is included in this release. For more information, please go to the Justice for the Vaccinated website at VavJustice.org

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
