

Keeping GlobalResearch.ca Online in 2019 and Beyond

By [The Global Research Team](#)

Global Research, January 02, 2019

Dear Readers,

As we enter the New Year we wish you all a happy and healthy 2019. Support from our readers has always played a key role in keeping GlobalResearch.ca online, especially since we refuse to take any form of corporate funding which would inevitably compromise our content. "Telling the truth" however is not a money-making proposition. Online independent analysis of US-led wars, rampant corruption, corporate greed, civil rights and fraudulent monetary transactions is invariably relegated to the bottom rung of search engine results. As a result we presently do not cover our monthly running costs which could eventually jeopardize our activities.

We have 1.9 million page views a month and just under 50,000 subscribers to our newsletter, yet only a few thousand readers have contributed to Global Research. We are deeply indebted to those people who have already made contributions. We are now asking the remaining 99%, can you [help us](#) keep this unique online resource alive and well in 2019 and beyond? We need a [major push](#) in terms of donations in these first few weeks of the year to stay on course.
